ENVIRONMENTAL GUIDE FOR THE TEAMS

- a. Reduce the use of paper by using the official digital channel [Sportity app].
- b. Use the indicated containers to separate waste.
- c. Always use a spill-proof device in the service park and refuelling areas.
- d. Keep the noise level down in the car park and in the other identified locations.
- e. Practise efficient driving outside the classifications, with the vehicles' engines at low revs, thus reducing noise pollution and the emission of polluting gases.
- f. Car washing is only authorised in the places previously defined for this purpose.
- g. When team members travel, favour car sharing, soft modes, the use of low-emission vehicles and whenever possible, walk short distances.
