

LAZER

RALLY OF THE BAY

2ND AUGUST 2025

SUPPLEMENTARY REGULATIONS

RALLYOFTHEBAY.COM.AU

Welcome to “The Lazer Rally of the Bay”

We are delighted to have Lazer back on board for the 2025 edition of the **Lazer Rally of the Bay**,

This event has been run by a variety of Organisers over the years and quite a few different people have had the honour (and pain) of being the Clerk of the Course – I am excited to return as director of this iconic event again in 2025 and planning for this to be the best Rally of the Bay yet.

This rally brings together competitors from the Shamrock Haulage NSW Rally Championship, the East Coast Classic 2WD and 4WD Rally Series, the Clubman Rally Series, ACT Regional Rally Series and this year we are introducing the RD Cup – each of which will have their own results and awards. In addition, we will, of course, be very happy to accept entries into the main Event from anyone who isn't chasing a Championship or Series and just wants to come along and have some fun in the forest! The three events will run concurrently using all or some of the same Special Stages that make up **The Lazer Rally of the Bay**, are:-

- **Bay Stages Event:**

- State Championship Permit.
- 10 Special Stages (3 stages repeated).
- A return of the iconic River Road stage.
- Pacenoted Event or Roadbook Event (You are only eligible for CRS Points if you enter the event on Roadbook only – and you will have the bonus of running all 10 stages and still earn Clubman Series Points!).
- Round of the 2025 Shamrock Haulage NSW Rally Championship (NSWRC), the 2025 East Coast Classic 2WD Rally Series (ECCRS 2WD) and the 2025 East Coast Classic 4WD Rally Series (ECCRS 4WD).
- Open Class: Open to anybody with an appropriate Motorsport Australia Rally Licence in any rally car that complies with the applicable vehicle regulations of the Rally/Road Appendix of the 2025 Motorsport Australia Manual. This Class is for competitors in a vehicle not eligible for NSW Series Points (e.g. an R5 Car) or a competitor who wants to OPT-OUT and not receive any NSW Series points (Even if they are in an eligible vehicle).

- **Bay Ramble:**

- Club Permit.
- 8 Special Stages.
- Pacenoted Event or Roadbook Event.
- Round of the 2025 NSW Clubman Rally Series (CRS) and ACT 2025 Regional Rally Series (ACT) (You are only eligible for CRS points if you enter the event on Roadbook only).

- **RD Cup**

- A Regularity Rally – the RD Cup will use the first 8 stages. The format and regulations for this part of the event allow any road registered vehicle to have a drive on the closed stages (after the main field) using the roadbook ONLY. Of course, there are restrictions on speed and some safety requirements but it's a great way to try the world of gravel rallying, or a step up from Khanacross and Rallysprints.

- The 'Regularity' part means that each crew has to work together to get as close as possible to the target time for each Special Stage – with 5 points being allocated for each second 'less' than the target and 1 point for each second 'over' (the LOWEST number of points being the aim!) ... without stopping or driving under 20km/h" as per the Rally Regularity Regulations. The target times will be set for an average speed no faster than 70km/h ... some might be set lower.

For all other crews the event can be run on pacenotes and we have tried to make reconnaissance available to all with extended opportunities for the few weeks prior to the event, and Smoothline notes also available for purchase. To help us monitor and manage your safety, the Rallysafe system is compulsory for all vehicles. The Start this year will be from the Service Park before heading off to the forest.

The roadbook has been checked, all the required permissions from Councils, Forestry Corporation and NSW Police have been received, we are looking for officials (as always), and we are busily preparing and printing all the paperwork that makes this type of event happen ... now we need YOUR entry (or your services as an official) to make it the event we are hoping for. We look forward to you joining us for the rally event of the year on August 2nd in Batemans Bay!

Nigel Bland - Clerk of the Course
