Hello Competitors,

Firstly, I would like to thank you all for entering the 2025 Lazer Rally of the Bay. It is shaping up to be a great and memorable event. We have a number of interstate and international competitors this year so when you see them, do give them a warm New South Wales welcome, even if the weather may be a bit chilly.

**NOTE: Competitors in the RD Cup Regularity event do not need to carry out the following scrutineering.** We have arranged for appropriate scrutineering of your vehicles at the event starting 7.00pm on Friday 1<sup>st</sup> August. You will separately be notified of your timeslot and the location very soon.

As per the Event Programme in the Supplementary Regulations, the Regional Scrutineering period is now open. So, get your competing vehicle in "ready to rally" condition, including driving lights if competing in the final 2 night stages, along to a Regional Scrutineer listed in the link below at your earliest opportunity. Do make sure to arrange with the scrutineer a time and date that suits them prior to turning up. Also make sure you take all apparel including helmets, FHR, etc. **You are also free to use any Motorsport Australia licensed scrutineer to check over your competing vehicle if need be.**

A number of these scrutineers are setup to do turbo restrictor sealing if that is required. Just check the table. Further details on that process can be found at the following link.

If it is absolutely not possible for you to get to a Regional Scrutineer prior to the event, we have a **VERY LIMITED** number of "at event" scrutineering timeslots starting 4.00pm on Friday 1st August. If you need to book one of these slots please contact the Event Secretary.

**Once you have passed scrutineering, it would be appreciated if you could upload an image of the completed form into WOLF at your earliest opportunity so we can close off your entry as complete.**

This will mean you will not be required to go through the traditional "Docco" process at the event but will simply be collecting your Competitor Pack (includes stickers, numbers, roadbook, etc) and your RallySafe unit if available. This will make for a much smoother and quicker process.

The RallySafe units are expected to be available starting 5.00pm on Friday 1st August. If they are available earlier, a notification will be sent out via Sportity under the "RALLYNSW25" channel.

Looking forward to welcoming you all to the event.
