Marc Coma ***Director of the Rallye du Maroc***

"The Rallye du Maroc is the ideal stepping stone for all Dakar participants. Now under the guidance of Pro Dunes Events, it will be our responsibility to ensure this synergy."

"During the reconnaissance, we passed through regions that the race has already crossed, but discovered new elements. We looked for sand to minimize rocks as much as possible. The level of difficulty will not be higher, but each day will be demanding—truly intense."
