— STATS —

1

Sébastien Loeb wins his 3rd W2RC race after the 2022 Andalucia Rally and the 2025 Rallye du Maroc. All three Dacia drivers are in the FIA championship top 5, which features competitors from all three manufacturers (Dacia, Toyota Gazoo Racing W2RC, Ford Racing).

7

7 drivers have won stages for the first time, bringing the total number of different winners in the championship to 129. This occurred in SSV (Luis Cidade), Rally2 (Jeremy Knuiman, Bruno Santos, Micael Simao), Rally3 (Murun Purevdorj) and Quad (Adomas Gancierius, Alexis Varagne).

10

The top 4 in the FIM championship are separated by 10 points, an unprecedented situation in W2RC history. The record for the tightest top 4 was 11 points after the 2023 Abu Dhabi Desert Challenge.

14

Undefeated in RallyGP in this edition, **Daniel Sanders and Tosha Schareina have won 14 of the 18 FIM stages at the bp Ultimate Rally-Raid Portugal since its creation in 2024.** That's a 78% success rate!

21

The Portuguese have secured **21 W2RC victories on home soil**, a record for the country in a championship round! There were 6 wins in the 2024 edition, then 13 in 2025. They triumphed in all categories they were entered in: **Ultimate (Joao Ferreira), Challenger (Alexandre Pinto), SSV (Luis Cidade, Joao Monteiro), Rally2 (Bruno Santos, Martim Ventura, Micael Simao) and Rally3 (Gonçalo Amaral).**

181

Undefeated in SSV in Portugal, **Can-Am now has 181 W2RC victories across all FIA categories.** This is the current FIA record, matching the new FIM record of 181 victories held by KTM!
