9.3.7 GPS monitoring system

Each crew will also receive monitoring GPS unit for the reconnaissance. GPS unit must be in the reconnaissance car throughout the reconnaissance, including road sections. GPS unit must be returned to the organiser in TC before Ceremonial Start. The Crew is required to make entry to the reconnaissance timecard in Start and Stop of each SS by themselves. Control will be done by GPS tracking and rally officials, who will observe and control Reconnaissance on site. The crews must stop at these controls and present their reconnaissance timecard.

10. ADMINISTRATIVE CHECKS

Place: ~~Mercator Center, Industrijska cesta 6, Nova Gorica~~
A.B.C. Avtocenter, Industrijska cesta 3a, Nova Gorica

11.7 Installation of Safety Tracking System

The safety tracking system will be rented to the competitors. Eventual destruction, non-return or damage of the unit must be paid by the competitor to the provider in accordance with the approved price list. All further details will be given in separate communication.

The organiser will install the holder and monitoring unit on Friday 23rd of September 2022 and tests the monitoring system by using the activation chip. It's needed to prepare 12V electricity output for easier installation. GPS units and brackets will be disassembled from the rally cars by the provider at the end of the rally before leaving the parc ferme. In case of retirement the safety tracking system device must be returned to organiser in service park (info point at the entrance of service park).
