Subject: **STEWARDS DECISION NO. 12**

Document No: **2.13**

From: *The Stewards*

To: *Competitor N° 24 DEVILLERS Jean-François*
Crew: DEVILLERS Jean François / CHAPA Eric

The Stewards, having received a report from the FIA Technical Delegate, have considered the following matter and determine the following:

Facts: Car No. 24 is not on the List of admitted vehicles published on 13rd October 2023 by the FIA

Decision: the crew is not eligible to the Bridgestone FIA ecoRally Cup 2023 Classification

Reason: Even if the car has been equipped by the FIA OBD consumption measurement box during technical checks to give them the opportunity to compete in the Bridgestone FIA ecoRally Cup 2023, the device proves to be incompatible with the model of the car. Therefore, the consumption data cannot be collected making it impossible for the crew to be classified in Bridgestone FIA ecoRally Cup 2023.

The Stewards, therefore, under their authority provided by Art. 2 of the 2023 ENEC FIA ecoRally cup Sporting Regulations, decide to remove Crew No.24 from the Bridgestone FIA ecoRally Cup 2023 Classification.
