BULLETIN 5

Subject: Temporary Unavailability of Shell Fuel Station at the Circuit

Date: September 16, 2023

Dear Participants and Teams,

We regret to inform you that the Shell fuel station at the Circuit is currently unavailable and not active. As a result, we have made alternative arrangements for refueling during the upcoming events. Please take note of the following important information:

Alternative Refueling Locations:

During this period, participants in the BMW M2 CS Cup BENELUX, Mazda MX5 Cup, and Ford Fiesta Sprint Cup will be limited to a maximum RON (Research Octane Number) of 98. However, for the Supercar Challenge, there is no maximum RON limit.

The following refueling locations are available for your convenience:

1. TinQ Station

- Address: Boulevard Barnaart 58, Zandvoort

2. TotalEnergies Strijder

- Address: Burgermeester van Alphenstraat 102, Zandvoort
