THE VOYONIC GRAMPIAN FOREST RALLY

9TH & 10TH AUGUST 2024

The Grampian Forest Rally has become one of the most popular motorsport events in Scotland and is classed as one of the highly acclaimed stage rallies in the country.

It will attract some of the best drivers in the business to the super-fast and challenging stages in the region. 2024 is all set to be one of the best yet as a revised and extended format is bolstered by the return of the top-flight Probite British Rally Championship. The all-new Stellantis Motorsport Rally Cup will head for the Kincardineshire stages, as will the hugely popular Asset Alliance Group Scottish Rally Championship, a staple of the rally for decades.

Over 100 cars will converge in Banchory this August to contest the event, as competitors from across the UK and beyond tackle 58 miles of high-speed gravel tracks in the surrounding forests, competing against the clock for ultimate supremacy.

WATCH THE ACTION

Our dedicated Spectator Areas in the forests offer the perfect opportunity to sample the thrills and spills of top-flight stage rallying. In the heart of the stages, our safe and well positioned viewing positions will enable you to see the crews on the limit as they battle the clock. It's FREE to access the Spectator Areas on the Grampian Forest Rally but a £10 car park donation to charity is requested.
