Issued: 18:45 Saturday 8 July 2023

Following an incident on SS 3 halfway 1 when car 66 went off and blocked the stage. Car 68 was first car on the scene and the stage was blocked by car 66 and spectators, the crew of car 68 could not see the crew of car 66 at this time and stopped.

Car 71 was next on scene and the stage was still blocked; they could not pass the stricken car to reach the next Radio Point.

Car 66 was recovered to the stage by Spectators and fellow competitors and they and cars 68 & 71 continued along the stage.

Car 72 caught the small convoy, but they were not unduly delayed

Car 68 initially posted a stage time of 8:59.1

Car 71 initially posted a stage time of 8:13.2

Having studied the tracker data both cars were carrying it appeared that car 68 was stopped for 2 minutes and car 71 was stopped for 1 minute.

In accordance with R25.4 I have awarded car 68 a nominal time of 6:59.1 and car 71 a nominal time of 7:13.2
