By: Neil Cross, Clerk of the Course

Subject: Amendment to Article 26 of the Event Supplementary Regulations

Article 26 of the Event Regulations states that the maximum number of tyres allowed on the Nicky Grist Stages 2025 is 10. The National Competition Rules allows the Clerk of the Course to seek permission form the ASN Steward to amend this number should there be extreme weather.

The current weather forecast shows temperatures to exceed 30 degrees.

Pursuant to NCR Ch.13 App.16 Art 7.11A I have asked the ASN Steward, Ian Howells, to suspend the standard tyre rule.

Ian Howells has agreed to increase the number of tyres allowed on the Nicky Grist Stages from 10 to 12 on the following conditions.

The 2 extra tyres can be used after Service In

Competitors are reminded that at all times during the event the tread depth must not be less than 1.6mm over at least three quarters of the tread pattern (Ch.8 App.4 Art.2.2)
