

Birr & District Motor Club Endurance Trial 2025

A Message from the COC

30th September 2025

I would like to take the opportunity to thank all who made Sunday's Endurance Trial such a great success.

Thank you to the landowners who so graciously let us in, and for their patience and support.

Thanks to Camross Community for the use of their excellent facilities.

Thank you to all our club members who helped in setting up selectives, in the office, marshals & timekeepers and everybody who helped in any way and worked so hard in the weeks beforehand to make the event a success for everyone. Special thanks also to the catering crew who looked after us all so well on Sunday.

Thanks to all Clubs who helped us also. Running an event is truly a team effort.

Lastly, thank you to the competitors who supported our event. Without your support, our Endurance Trial would not have been possible.

Yours in Motorsport,
Darren Delaney
Clerk of the Course,
Birr & District Motor Club
