## **SAFETY RULES FOR SPECTATORS**

**!!!** Came to watch the race, please select a place to park the car in a way, that do not interfere with the movement of other vehicles and a safe distance from the track.

**!!!** Do not take with you pet animals. They can suddenly appear onto the track! Do not leave unattended children. High speed oncoming sports car will definitely not stop.

**!!!** Select and engage your observation place in advance. Then you will not have to go in search of spectacular positions constantly beware oncoming at high speed sports car or the safety cars.

**!!!** Always keep a safe distance from the track and never stand back to the race track. Dangerous places are marked STOP signs with the words "NO GO AREA". Strickly prohibited to stand in these places.

**!!!** The most dangerous places are 50 to 70 meters immediately after the turn or the springboard on both sides of the track. Allowing on springboard after the jump (or after turn) the vehicle may suddenly change driving direction.They may be due to failure or crew error.

**!!!** Always obey recommendations and requirements of marshals, police and security and other official competitions persons and help them to carry out work related to the safety of you and others.

**!!!** Don't drive to the track till overpassed the opening Safety car ("broom") - usually this car equipped warning green flashing lights or green flag.

**!!!** If you drive the road which coincides with the rally route, be attentive and careful. Please note that participants must arrive at the check points strictly according to schedule, therefore any delays can significantly affect their results.Try move on the track only by the sports channel direction, because suddenly you can meet before you delays by schedule sports car.

**!!!** Remember that Special stage may be canceled due to unsafe spectators behavior, therefore please respect other spectators and all rally participants.

## **SAFETY RULES FOR MEDIA REPRESENTATIVES**

1. It is strictly forbidden to be at the race site under the influence of alcohol, drugs or other intoxicating substances.
2. Accredited media representatives must follow all instructions given by commissaires, safety personnel and officials at all times during the competition.
3. Accredited media representatives must choose a safe observation point on the track and be prepared for unusual situations or accidents during all competitions.
4. An accredited media representative with a media vest issued by the LASF or the event organizer has the right to be in dangerous areas of the track, no further than 2 (two) meters from the safety boundaries (fence, tape, etc.).
5. An accredited media representative without a media vest issued by the event organizer or LASF has no right to be in dangerous areas of the track and areas designated for media representatives.
6. The work of accredited media representatives or the presence of their equipment at the competition site may in no way affect the safety of the competition or the results of the competition participants.
7. Accredited media representatives are prohibited from using “drones” or any other ground-controlled equipment without the prior consent of the organizer.
8. Accredited media representatives must beware of moving vehicles! Your safety on the track or in the service park depends solely on you. Pay special attention to the environment around you and the actions in it!
9. Avoid standing too close to the rally car service park! Do not interfere with the work of the mechanics and the entire team!
10. Avoid leaning on rally cars, as they may start moving suddenly, and some car parts may be hot or fragile.
11. Avoid standing near firefighting, rescue and/or ambulance vehicles, as they may start moving suddenly, without prior warning.
12. In the event that it is necessary to review work materials (photos, footage, etc.), avoid doing so near or away from the competition route. Choose a safer location!
13. Avoid crossing the competition route as much as possible. If you need to cross the route, choose a location with good visibility and make sure that no cars are approaching.
14. Violation of any of the media safety rules may result in the cancellation of accreditation and removal from the race venue.
15. By submitting a media accreditation application, you confirm that you have read the security rules for accreditation of media representatives of the Rally Lithuania, agree to the above rules and assume full responsibility for your actions.
