September 26th & 27th

NO unloading of Rally Cars is permitted out on the main road.

MECHANICAL SCRUTINY:

Mechanical Scrutiny will take place at Munster Vehicle Sales (MVS), Dublin Pike, Ballynahina, Cork. T23 YR67

- Location: Munster Vehicle Sales (MVS),
- Time: 14:00 to 18:30
- Eircode: T23 YR67
- GPS co-ordinates are **N 51.952151, W -8.465397**

Once Mechanical Scrutineering has been completed, the competing car must proceed **IMMEDIATELY** to Parc Fermé at Rally HQ, Clayton Silversprings Hotel. T23 E244

GPS co-ordinates are N 51.904740, W -8.420712

Competitors must then attend **Documentation Scrutiny promptly and no later than 30 minutes after completing Mechanical Scrutineering**, to assist with the efficient running of the sign-on process and avoid delays.

Please see attached layout plan of the Scrutiny Area

SCRUTINY & IRDS / BRDS REQUIREMENTS:

It is the responsibility of all competitors, particularly overseas crews, to ensure that they are fully familiar with and comply with the scrutiny requirements applicable to Irish events.

Competitors must also ensure that they meet the relevant **IRDS / BRDS insurance requirements** and that they are included on the current **IRDS / BRDS database**, where applicable.

You are not insured until you have completed the above sign-on process.

You are therefore strongly advised to complete this before signing on for Recce, and it must be completed before unloading your rally car.

RALLY TRACKING:

All competing cars are required to carry an approved **Rally Tracking System (RTS)**. The tracking device must remain correctly installed and operational for the duration of the event.

Tracking devices can be collected at **Mechanical Scrutiny-In** and **MUST** be fitted to the competing car before presenting for Mechanical Scrutineering.

A POWER LEAD IS MANDATORY FOR THE TRACKING SYSTEM. Please ensure you have the mandatory power cable fitted in advance of Mechanical Scrutiny.

COC Communication

September 26th & 27th

Competitors who require a power lead must order one using the link provided by the Organisers.

Competitors are responsible for the safe keeping, proper use and return of the tracking device while it is in their possession. Failure to return the device, or its return in a damaged condition, may result in the competitor being invoiced for the **full replacement cost**.

Return of Tracking Devices

For competitors who complete the event, the tracking device will be removed and returned by the Tracking Team in Parc Fermé following the Final Control.

Any competitor who fails to finish the event must return their tracking device, in good condition, to the Rally Office at **Rally HQ** no later than **18:00** hrs on Sunday 27th September 2026.

Tampering / Interference

Any unauthorised interference with, tampering with, removal of or adjustment to the Rally Tracking System is strictly prohibited.

Any such occurrence will be reported to the Clerk of the Course and/or Stewards for consideration and may result in penalties being applied in accordance with the applicable regulations.

ROAD BOOK FROM SCRUTINY TO PARC FERME:

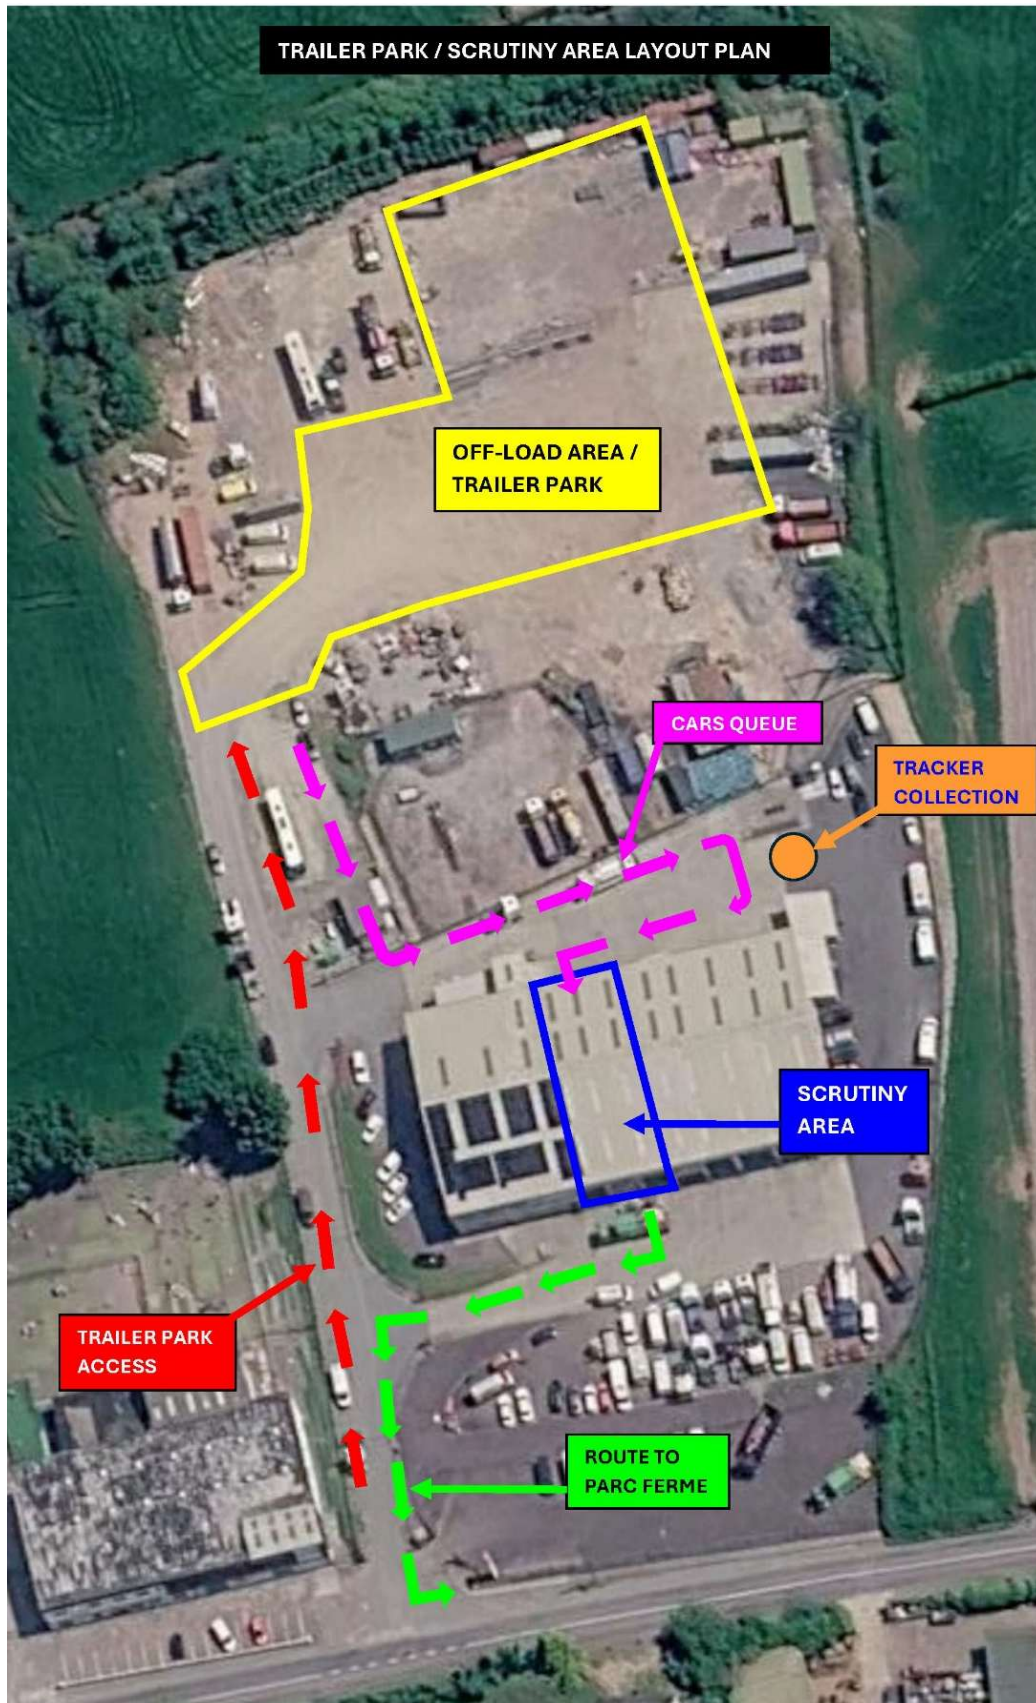

Please note a road book from scrutiny area to parc ferme will be provided and will be available of the event sportity app: **MRFCORK2026**
