

East Anglian Classic 2025

Competitor Bulletin 1

Insurance

Since publication of the regulations we have learned that the insurance premium for those taking the event insurance is £40, not £32 as per the regulations. The entry form has been amended accordingly. For those who entered and paid before the change the event will bear the cost of the difference and can consider it an 'early bird' bonus.

Maps

As well as the map versions mentioned in the regulations the navigation has now been checked against the latest versions of the OS maps as purchased last week from Dash4it. These versions are:

Sheet 144 revised May 2019

Sheet 154 revised February 2022

Sheet 155 revised August 2013, reprinted 2016.

Catering

The meal on Saturday evening will be a meat based main course, with a vegetarian option, and a dessert. If you have any special dietary requirements, including wanting the vegetarian option, please make sure these are indicated on the entry form as this is the information we will pass on to the hotel.

Thanks for your attention

Paul Brewerton

Clerk of the course
