### Number of laps:

In the Special Stages (circuit stages) the competitors are responsible for keeping the exact number of laps, which is clearly indicated in the road book. In case of exceeding the number of laps the actual driving time including the time for the exceeded laps, will be counted.

In case of less number of laps, the slowest driven time overall, under normal competition conditions, plus 1 minute penalty will be counted for the relevant team.

### Antal omgange:

Deltagerne er selv forpligtede til at køre det foreskrevne antal omgange, som er angivet i rutebogen. Køres der flere omgange, er det den samlede tid for alle omgangene, der anvendes i beregningen.
