

**Competitor Bulletin 2  
December 8, 2022**

**2.1 Change of Clerk**

Alan Perry will now serve as the Clerk of The Course for the event

**2.2 Recce Card Corrections**

Attached to this bulletin are some corrections to the Recce card. This includes matching the stage start and finish letters on Black Forest to the rest of the documentation

**2.3 Route Clarification**

The transit at the end of Gem Falcon turns right at the T junction to get to the stage start for Gem Express.

## Recce Instructions

Recce begins at 8 am at the stage start, and the stages will be available in certain time windows to avoid oncoming traffic on the narrow roads.

### **SS 1, 3, 6 Bullet (A to B) and SS 5, 7 Black Forest East (D to C) (Both Passes)**

8am to 9:45 for last entry to a stage.

You can run them in either order.

Recommended Route:

Follow routebook from Page 11 to the end of the stage on Page 16

Pick-up transit to ATC 7 on page 63 and follow to stage start 67

Go to page 51 and follow the routebook for the rest of the passes.

Return to Service Park

### **SS 8, 10 Gem Falcon and SS 9, 11 Gem Express (FIRST PASS ONLY)**

**10:00 Opens, enter Gem Falcon no later than 10:20**

Cars MUST start by 10:20 and must not enter Gem Express without approval that the recce cars have cleared that junction. There will be a volunteer in that location, there is no delay anticipated.

Follow the routebook for stages 8 and 9 starting on page 75

### **SS 2, 4 Black Forest West (BOTH Passes)**

11:00 to 12:30

Follow the routebook from Page 11 to instruction 6 where you turn right, you will join the transit on page 18 at instruction 7. Follow that to the stage start.

Follow the route and transit to instruction 5 on page 27. Turn LEFT CAREFULLY, and you will join the route at instruction 4 on page 17, in the transit back to the stage start.

**SS 9, 11 Gem Falcon and SS 9, 11 Gem Express second pass**

**12:15 opens, enter Gem Falcon no later than 12:40**

Cars MUST start by 12:40 and must not enter Gem Esxpress without approval that the recce cars have cleared that junction. There will be a volunteer in that location, there is no delay anticipated.

Follow the routebook for stages 8 and 9 starting on page 75
