It is recommended that in addition to retaining a copy of this bulletin all parties modify the text of the regulations according to the following:

- The Road Book contains a 'Temporary Withdrawal' form, a 'Final Withdrawal' form and a 'Rejoining form'.
- No competitor will be permitted to restart the rally once they have handed in a 'Final Withdrawal' form.
- If a competitor believes that they may be able to restart after an incident they should complete a 'Temporary Withdrawal' form and hand it to an appropriate official.
- If a competitor then wishes to re-join the event, they must only do so either (a) at the 'out' control of a Service Park or (b) at the start control of a stage. They must rejoin at a time that does not cause any delay to the event. They must hand in a 'Rejoining form' to the Post Chief. They must rejoin within the Division they started in. If this is not possible then they may be required to proceed to another stage before rejoining.
- All cars that have suffered accident damage must be checked and cleared by an appointed Scrutineer or designated official before rejoining.
