Stage 11 / Selective Section 11

Due to weather conditions preventing the helicopters from taking-off, the start of the selective sector of stage 11 was delayed.

The Race Direction decided the following:

- Start for the 1st bike at 10:00 AM,
- A closed gate to be implemented at 3:30 PM at the neutralization. (All competitors concerned to return to the bivouac on tarmac (Road Section B: 200 km / Allotted time: 3h30) without stage penalties, while maintaining their finisher status)

After discussions between the riders and the organiser, the majority of riders refused to complete the totality of the selective sector.

Given their refusal to cover the totality of the selective sector the Race Direction decided the following:

- the ASS of selective section stage 11 to be given at WP 41 km 151.73 (NEU IN) and all competitors to return to the bivouac on tarmac directly after the neutralization.(Road Section B: 200 km / Allotted time: 3h30)
