TRIALGP of FRANCE
Cahors 29-30 August 2026

Race Direction information 1

Super Test

Dear Participant,

All riders must travel to the Super Test in convoys, by category, and return together at the end of the session.

Waiting areas will be set up to organise the convoys on the outward and return journeys.

Convoy timings:

Trial 3: 5.30 pm at the paddock entrance
Trial 2: 5.45 pm at the paddock entrance
TrialGP: 6.00 pm at the paddock entrance

It is compulsory to wait until all riders have finished the Super Test before returning in a convoy. No rider may return individually.

A 5-minute interval will be allowed between each category, to give riders the time they need to familiarise themselves with the course before their run.

The Super Test is scheduled to start at 6.00 pm.

Thank you for your understanding.
