From: The Stewards
To: The Competitor TOYOTA ESPAÑA of car No. 24
Crew ALEJANDRO CACHÓN / BORJA ROZADA

All Competitors / crew members

The Stewards, having received a request from the above competitor through the Clerk of the Course and having consulted with the FIA Deputy Technical Delegate, have considered the following matter and determine the following:

Facts The competitor requested the late scrutineering of the spare turbo and the spare rear differential of Car No. 24 due to the late arrival of spare parts to Japan because of a logistical error beyond their control.

Decision The Stewards authorise the late sealing of these spare parts after considering the extraordinary circumstances explained by the Competitor, who had previously, on 1st November, notified the FIA Technical Delegate of the expected delay and requested late sealing permission. This authorisation is granted solely in view of those logistical circumstances and shall not constitute a precedent.
In accordance with Article 31.1.8 of the 2025 FIA World Rally Championship Sporting Regulations, the competitor is required to contact the FIA Deputy Technical Delegate for sealing as soon as the spare parts are available but no later than 21:00 hrs on Friday 7th November.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2025 FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules.
