GCTMC KHANACROSS WEEKEND MOVES TO ALTERNATE VENUE AT CHAMBERS FLAT

The Gold Coast Tweed Motorsporting Club is excited to officially announce that our Double Header Khanacross Weekend on the 16th & 17th May will be held at an alternate venue located at:

📍 **1107 Chambers Flat Road, Chambers Flat 4133**

This exciting move comes following support from Mayor Jon Raven, who attended our 2025 event and made good on his commitment to help identify and secure a suitable venue for grassroots motorsport within the Logan region.

The upcoming weekend will operate under a short-term trial lease agreement with Logan City Council and will involve community consultation both prior to and following the event. We greatly appreciate the support shown by Council in recognising the value of safe, affordable and family-friendly grassroots motorsport.

The Chambers Flat venue is exceptionally well suited to this style of event, providing excellent spectator viewing, easy access, off-street parking and on-site amenities including toilets.

This move also gives our long-standing home at 700 Clutha Creek Road, Tamborine a well-deserved rest prior to our return for Round 4 of the Baden Civil South East Queensland Khanacross Series on Saturday 4th July.

🏁 SATURDAY 16 MAY

Round 3 of the Baden Civil South East Queensland Khanacross Series has attracted a FULL field of 50 competitors.

💖 SUNDAY 17 MAY

Returning for its third year is the hugely successful YTG “Yeah the Girls” Khanacross — and in an incredible show of support, the event has attracted 50 female competitors!

The YTG event continues its proud tradition of raising funds for Endometriosis Australia, with more than \$14,000 raised over the past two years for this amazing charity.

🍽️ Catering will be available on-site both days, including food and coffee, with a full menu to be released in the coming days.

🎨 Sunday will also feature family-friendly activities including:

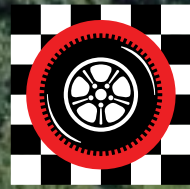

- Face painting
- Jumping castle for the kids

🚗 Competitor Information:

- Site access from 6:30AM both days (no earlier)
- Overnight vehicle security available for competitors entered both days
- Unfortunately, camping will not be permitted on-site

We look forward to welcoming competitors, supporters, local residents and the wider community to what promises to be an outstanding weekend of grassroots motorsport.
