## 2025 EARS Motorsport Moonraker Forest Rally

### Competitor Notification #1 - Timecards

Issued: 10.04.25

Dear Competitor

As part of our ongoing commitment to streamline, enhance and improve our processes for competitors, a new format timecard is being trialled for the 2025 EARS Motorsport Moonraker Forest Rally. The new format timecard being trialled comes on the back of ongoing engagement with experienced timekeepers at events across the country in tandem with ongoing development of the timing clocks working towards a fully automated timing process.

With that in mind and conscious of the new format / layout of the timecards, we would urge all competitors to review the timecards (uploaded onto Sportity under the "Timecards" section) in advance of the event to familiarize themselves with the new format.

The results coordinator for the event is Liam Hayes and can be contacted on 086-3816078 with any queries and he will be happy to assist and address any questions.
