Re: Press Release 2

With 6 weeks to go to until the EARS Motorsport Ireland Moonraker Forestry preparations are in full swing in Munster Car Club. Plans are being finalised, and the organising team have been working tirelessly to ensure all aspects of the rally are ready to go. Regulations have now been released, and we now begin the countdown to Monday March 3<sup>rd</sup> at 10am when entries go live! For Regulations head over to our Sportity page password: MRKFR25 or Shannonsportit.ie.

Speaking to the COC, Paul Browne he said “There is great interest in the event, a lot of competitors seem excited to try out some different stages and the Lismore area is the perfect setting to do so. The stages are looking well, we were fortunate that the storm didn’t leave too much damage on the stages and any that had occurred has already been fixed thanks to our club members and Coillte. We also have some other surprises up our sleeves and were excited to announce those in the coming weeks. My advice to competitors is get your entries in as soon as possible, it is shaping up to be an event not to be missed”.
