

# Organizer Bulletin #2

## 2024 Nemadji Trail Winter Rally

December 2, 2024 17:45 CST

**From:** J.B. Lewis, Clerk of the Course

**To:** All Competitors

**Subject:** Organizer Provided Notes, Recce, Scrutineering, and Registration

- 1) After review of the available “organizer provided notes”, the notes will only be available to teams participating in recce.
- 2) To facilitate recce for teams without service crews, the following changes will be made:
  - a. Competitor Registration and Scrutineering will open at 07:30, or as close to 0730 as we can manage.
  - b. Novice teams, wishing to do recce, with or without crew, must be present for scrutineering. Those teams are strongly encouraged to be ready for registration and scrutineering at 0730.
  - c. Non-novice teams participating in recce, and without a service crew, may leave the logbook and keys to their competition car with the Chief of Scrutineering before departing for recce. Inspection will be completed in their absence.
  - d. The Chief of Scrutineering will remain available in the service area until all competitors have reclaimed their keys and logbooks.
