## 2024 Nemadji Trail Winter Rally

December 4, 2024 06:50 CST

**From:** J.B. Lewis, Clerk of the Course

**To:** All Competitors

**Subject:** 1) Option to take a single pass of Recce; 2) Final Competition Itinerary

### Reconnaissance

Competitors who wish to take a single pass of Recce may opt to arrive at Start SS1/3 after 08:50 and wait for the other competitors to complete SS1 and SS2, returning to the west end of the stage. Section 8.4 of the Supplementary Regulations indicates the approximate time of 10:00. As soon as the competitors present at that time have re-entered the stage, the window will close, sweep will follow the competitors through recce, and no further competitors will be allowed to start recce.

### Itinerary

Please note that the final Itinerary has been posted to Sportity. A minor change was made, eliminating the Regroup Control in Duquette; and an additional 5 minutes was added to the transit to SS3 to facilitate any regrouping that might be needed.
