

Paddock regulations Circuit Zandvoort

Circuit Zandvoort uses paddock regulations out of safety and environmental considerations. All users of the locations and facilities of CM.com Circuit Zandvoort should be aware of these rules and act according to it.

Environmental regulations

Inflammables

- Fuel and oil cans must be secured to prevent them from falling over and being driven into.
- Fuel and oil cans must be placed in a drip tray in which 110% of the content of the cans can be caught when a leak occurs.
- Fuel and oil cans may not be placed in areas accessible to the general public.
- Fuel and oil cans may not be placed in the open air.
- Fluid storage barrels must carry an adequate indication of the fluid they contain.
- Only the stock fuel and/or diesel fuel that is being used during the current session can be stored in the pitbox temporarily.

Re-fuelling

- During re-fuelling of the car, a large-sized drip cloth or drip tray must be placed underneath the car and the re-fuelling system.
- Pouring of fluids from one can into another may only be done in a drip tray.
- Re-fuelling is only allowed in the presence of two fire extinguishers.

Water

- Any wastewater may only be disposed of in a drain and may by no means be disposed of in the paddock.
- Cleaning of cars or other objects in the paddock is not allowed.

Waste

- Any waste must be disposed of in designated waste bins.
- Waste oil must be disposed of separately in designated oil containers. Oil barrels may by no means be left behind in the paddock.

Gas

- Gas cylinders must be secured to prevent them from falling over and being driven into.
- Gas cylinders may not be placed close to inflammables.
- A battery of gas cylinders may only include a maximum of five cylinders.
- Gas cylinders may not be placed in the open air.

Demands of the fire department

License

- If more than 150 people are present in a temporary structure, there must be requested a 'fireproof use'-license at the Zandvoort Fire Department.
- In every construction, there must be sufficient approved fire extinguishers available in order to extinguish a major fire.

Parking

- Parking, at any time, must be done within the white lines in the paddock and if applicable, upon presentation of a correct admission ticket
- Exit gates etc. must be kept free and may not be blocked by vehicles or other obstacles.

Paddock

Traffic

- The maximum speed for any vehicle on the paddock is walking speed.
- The minimum age of drivers of a vehicle is 16 years.

Asphalt

- No holes or slides may be made into the asphalt.

Pitboxes

- Upon departure, the pitbox needs to be free of any waste or stickers.
- It is prohibited to distribute any flyers without permission of the management of Circuit Zandvoort.

Drones

- It is strictly prohibited to make use of a drone without permission of the circuit media coordinator.

Catering

- All catering (also for crew and participant) may be exclusively delivered by Circuit Zandvoort Hospitality.

Violations

- All violations and any resulting fines will be charged on a one-to-one basis to the tenant and/or violator.
