

Competitor Bulletin 5

December 9, 2023

5.1 SS 5 Cancelled

Due to weather concerns for moving our volunteers, we are cancelling stage 5.

Competitors should still expect to leave service. Teams should use their arrival time for ss5 as their service in time. Late penalties will not be incurred.

Time out from Service to Gem/Falcon is expected to be ON TIME for the schedule, but will be confirmed on Sportity.
