

**Competitor Bulletin 2
December 7, 2023**

2.1 Modified Stage Schedule

The stage schedule for the event has been changed and is attached.

Due to low snow conditions and expected icy conditions Saturday Morning, the exposures on the bullet stage have been determined to be an unacceptable risk, so the Bullet stages are being removed from this year's event.

2.2 Route Book and Recce Instruction Changes

Detailed changes to the route book and recce instructions will be posted before Friday morning. Recce is expected to be fundamentally the same, but without the bullet stages.

2.3 No Shakedown

We apologise for any confusion that may have been caused by our registration form. There is NO shakedown stage this year.

2.4 SF85+ Start Order Draw

The start order draw for drivers with a speed factor of 85 or higher will be held once all included drivers return to the warming hut after recce. The draw will include ARA Speed Factors.

2.5 Vaccination Records

There is a reference to vaccination passports in section 10 of the Supplementary Regulations. This should have been deleted and we are not asking for any vaccination paperwork.
