Thank you for your entry for the Yeats Ridge Forestry Rally on Sunday the 15th February 2026. A seeded entry list is available on the Sportity App and from our website www.connachtmotorclub.com.

Mechanical scrutineering will take place in Carty Group, North West Business Park, Collooney, Co. Sligo, on Saturday 14th February between 14:00 – 18:00 hrs.

To facilitate the smooth operation of the event you are obliged to complete mechanical scrutineering on Saturday and most importantly, **to then complete documentation scrutineering**, at Rally HQ in Callaghan's Forklift, North West Business Park, Collooney, Co. Sligo from 14.30 – 18:30 hrs. A mandatory Parc Ferme will operate directly on completion of mechanical scrutineering. **N.B. Documentation Scrutineering requires both driver and navigator to be present at the same time, complete with licences and scrutiny pass sheet.**

There will be an information session for **all junior competitors** at 4pm on Saturday the 14th covering time card demo, tracker operation, stage readiness, Hans fitting and helmet care. This will be followed immediately by a mandatory Safety Briefing. This will take place in the Collooney Handball Alley F91P96K.

To facilitate the early check in of junior crews, Mechanical Scrutiny together with Event Sign on will open at 13:00pm and the first hour will be reserved for junior crews. All Junior crews are encouraged to take up this offer in order to be free for the later information session and Safety briefing.

Please note that **groundsheets** are mandatory for the Service Area and fuel or oil spills must be addressed by crews immediately. Please have a 3 x 5 metre groundsheet [in good condition] available. Failure to co-operate will mean exclusion. Crews wishing to Service together with another competitor must inform Rally Office staff at reconnaissance sign on, where every effort will be made to accommodate this.

Please check that your licence is in date and hasn't recently expired. Please note that I.R.D.S / BRDS formalities will be completed at sign-on. **Please check the MI website to ensure you are listed on their data base prior to the event, if not apply to MI urgently.** You should be aware that your I.R.D.S / BRDS covers you to drive from the Trailer Park Area to Scrutineering and back to Parc Ferme, as per route instruction, and then only becomes effective on Sunday when you pass through the first control. Remember the nominated driver is the only one covered to drive, or the navigator in the case of the Minor Entrant.
