

Bulletin 9: SS9

Due to continued impassable conditions near the start of SS9 CJ’s Loop, and as discussed at the competitors briefing, the stage will be shortened as it was yesterday as part of Sandblast After Dark

1. Replace Transit instructions 397, 398, and 339 with the following. All mileages in the tulips below will be accurate:

| | | | | |
|------|------|--|-------------------------------------|------|
| 6.54 | 2.10 |  322 | H Cooper Black Recreational Area | 0.20 |
| 6.74 | 0.20 |  323 | ATC SS9 CJ's Loop | 0.00 |

2. For the Car Stage Notes SS9 will start after 2.02 miles into the stage. Within the “150” of the “150 smCr 100” on page 2/7
3. Set your trip odo to 2.04 at the Turn Left after the ATC.
