5 Transit Speed Change

After review, a Saturday transit speed needs to be changed for the transit back to Rangely; the simple act of adding 8 minutes affects quite a few spots – please review **ALL** of the below items

- On **Page 36 line 7** mileage 16.35 – Add a speed change to **40** (no speed listed previously)
- On **Page 47 line 1** mileage 9.94 – Change the speed from 45 to **35** (2nd run of above)
