

Wild West Rally 2026

3-16-2026

Bulletin #2

Competitors will be required to make a loop through Bruceport County Park on the two transits between the first and second running of Palix South and Palix North. There will be a pause for 15 minutes before passing an observation control at the exit of the park. This is being done to add time into the schedule. This is not a regroup. There are nice bathrooms at Bruceport. You should take advantage of them! Be careful entering and exiting the park!

Robert Gobright

Clerk of the Course
