

2026 Wild West Rally

3-19-26

Bulletin #6

Parking of your car hauling trailers.

We have secured a large gravel area in South Bend via the cooperation of the Port of Willapa Bay. The coordinates are: 46.667185 -123.790585.

The Boondocks Market, good soup, sandwiches, and ice cream all in a pleasant shop, will be open. Do not park in front or to their left side. The 2 other business to the right of Boondocks will not be open and will not be hampered by your trailer parking. The Port requires that trailer tires need to be on gravel and not on grassy areas.

Further, there are electric car charging stations that also should be allowed full time access.

Robert Gobright

Clerk of the Course
