

Wild West Rally 2026

3-18-2026

Bulletin 3

There was a typo in the supplemental regulations. The chief of service (Ken Quale's) email is actually servicecaptain1@gmail.com

If you want a larger than normal service area and/or want to have a trailer in service, please arrange it with Ken (it will cost \$100).

The service area will open at 8:00 AM on the 22nd.

Directions to Service:

- When on highway 101 in Raymond, turn eastward onto Franklin Street.
- Go 2 blocks
- Immediately after crossing 8th Street, turn left into the Willapa Landing Parking Lot - this parking lot is the service area.
- Coordinates are: 46.669335-123.726449 - we do not have access to space west of here.

If you keep going east past the entrance to the parking lot, you will see gravel space next to the road beside the parking lot - you may park trailers there by the road next to service.

Parking trailers next to the service area beside the road will be allowed on Saturday, overnight, and Sunday.

Robert Gobright

Clerk of the Course
