Welcome from Stuart & Simon.

We extend a warm welcome to our International and National competitors, competing in the FIA -Asia Pacific Rally Championship, Brian Green Property Group New Zealand Rally Championship, or Allcomers section of the event.

The International Rally of Whangārei is also the final round of the 2024 Brian Green Property Group New Zealand Rally Championship.

With our rally base again at Pohe Island, it is only 3 minutes from the great Cafes and Restaurants at the Town Basin and 6kms from Whangārei Airport. International visitors may prefer the easy 3-hour drive north from Auckland International Airport. We recommend staying at our official hotel, the Distinction Hotel, opposite the Town Basin which is a quick 20-minute walk (1.5kms) to the service park. Please contact the Secretariat to make your bookings at a discounted rate.

The rally starts on Friday night with opening ceremony in the centre of Whangarei. On Saturday the rally heads north before the Super Special Stage at Pohe Island. The Sunday stages are to the south of the city. The Ceremonial Finish will be held at the Pohe Island Service Park.

If you have any questions, please contact our friendly Officials and we look forward to welcoming you to the International Rally of Whangārei. We know you will enjoy it.

Chairman of the Organising Committee

Welcome from the Mayor.

Tēnā koutou katoa, ngā mihi kia koutou katoa.

Benvenuto and welcome everyone, drivers, support crew, spectators and all to the 2024 International Rally of Whangārei.

This fast-paced, spectacular event is one of my favourites on our District's sporting calendar and a great chance to showcase the district's beauty and hospitality – not to mention great roads for rallying!

This year we are celebrating the return of top national teams and drivers, including Hayden Paddon who won the 2023 Rally of Whangārei and who remains a local crowd favourite.

The return of international teams will see this event double as the 2024 FIA Asia Pacific Rally Championship Final and round 6 of the 2024 New Zealand Rally Championship (NZRC).

Our community look forward to viewing the Pohe Island Super Special Stage lighting up the night on Saturday 9 November, as competitors battle it out over the jump and around Pohe Island, within the centre of Whangārei City.

Our community will be keeping eyes on all the crowd favourites, including Hayden Paddon, Ben Hunt, Robbie Stokes and Jack Hawkeswood, along with many other local and international rally drivers.

Thanks to the teams, support crews, organisers, officials and volunteers for the hours you put into this fantastic event every year.

I look forward to welcoming all drivers and teams to Whangārei in person, it's fantastic to have you all back in our beautiful region!

No reira tēnā koutou katoa

Vince Cocurullo
Mayor of Whangārei

Art. 5. Insurance Cover

All New Zealand residents and overseas visitors to New Zealand are covered by 24 hour no fault personal injury accident insurance, where that accident is deemed to be an accident as defined in the Injury Prevention, Rehabilitation and Compensation Act 2001. Overseas visitors are recommended to have personal travel and medical insurance.

Third Party or Comprehensive Vehicle Insurance is the responsibility of the entrant/competitor.

The service vehicles, management vehicles and reconnaissance vehicles including those bearing special plates issued by the organisers may never be considered as official participants in the rally. They are therefore not covered by the insurance policy of the rally and will remain the sole responsibility of their owner.

Competitors and all crew members are covered by Public Liability under a master policy held by MotorSport New Zealand for an amount of **NZ \$10 million** for the entire event. Details may be obtained from the MSNZ website <https://motorsport.org.nz/organiser/>

In the event of an accident the competitor or his/her representative must notify the Clerk of the Course in writing within 4 hours. The competitor must provide full details including the names and addresses of those involved including witnesses.

Art. 6. Advertising and Identification

Art. 6.1 Obligatory organiser's advertising

Competition numbers, advertising and Driver's and Co-Driver's names will be in accordance with Sch R, Part One, Article 4, and NSC Part V, Article 56 current MotorSport NZ Manual. See Appendix 4.

The organiser will provide each crew with the number identification (67x17cm), which must be affixed to their car in the stated positions prior to scrutineering. Each panel shall be placed horizontally at the leading edge of each front door, with the number at the front. The top of the plate shall be between 7 cm and 10 cm below the lower limit of the window.
It is not allowed to cut the panel.

Art. 6.2 Optional organiser's advertising

Negotiations with potential sponsors are still underway. Current advertising requirements are:

- A1** APRC plate where required Whangārei
- A2** Whangareai

Art. 7. Tyres

Art. 7.1 Regulations regarding tyres which may be used during the rally

The use of studded or spiked tyres is prohibited under pain of exclusion.

Art. 7.2 Tyres for use on reconnaissance

The types used during reconnaissance must be either an FIA approved road tyre or an equivalent standard road type designed primarily for normal road use meeting the following criteria.

Tyres must not exceed a tread depth of 8.5mm. Straight circumferential grooves may be no wider than 10mm. All other

grooves at an angle to the circumference may be no wider than 7mm.

Crews are permitted to use their Rally Car and Rally Tyres for the reconnaissance of Whangārei SSS9/10.

Art. 8. Fuel

Art. 8.1 Fuel Specification

Fuel shall comply with the provisions of the Appendix Two, Sch A, Part Two, Art 3 of the current MSNZ Manual. The use of unleaded commercial petrol available at petrol filling stations is permitted.

Note: Competitors should be familiar with and adhere to the Motorsport NZ Code of Practice – Fuel, available via the following link: <https://www.motorsport.org.nz/technical/fuel/>

PROCEDURE IN REFUEL AREA

- Only actions inside a Refuel Area directly involved in the refuelling of the competing vehicle are permitted.
- The responsibility for refuelling including the required fire extinguisher operator is incumbent on the competitor and their team members alone.
- Engines must be switched off throughout the refuelling operation.
- It is required that the driver and co-driver remain outside the car during refuelling.
- Solely for the purpose of assisting with the refuelling procedure of their car, two team members of each crew may access the Refuel Area. They may only enter the Refuel Area ten minutes before their car's arrival and must leave once refuelling is completed
- Competitors are reminded of their requirement to have a Fire extinguisher with operator on standby to be provided by the competitor while refuelling.
- All competitors must supply and use absorbent spill mats during refuelling
 - The use of kitty litter or drip trays is not permitted
- If a spill occurs the car must be pushed away from the spill without starting the engine
 - The car is not permitted to leave the Refuel Area until the spill has been cleaned up to the satisfaction of the refuel marshals
- A car may be pushed out of the Refuel Area by the crew, the two team members and/or officials without incurring a penalty.

APPAREL FOR REFUEL AREAS

The team member refuelling the car, and the extinguisher operator must at a minimum wear the following apparel during refuelling operations;

- Cotton overalls
- Gloves
- Balaclava
- Covered shoes that are non-flammable material i.e. no running shoes

It is not permitted for the driver or co-driver to refuel the car wearing their competition apparel however they may act as the extinguisher operator.

PROCEDURE AT COMMERCIAL FILLING STATIONS

Competitors are permitted to refuel using commercial petrol stations that the route directly passes however may not perform any other actions at these locations and their service crew are not permitted to assist.

This fuel must be dispensed directly into the tank of the competing car.

The crew must use solely the equipment on board and only the pumps with no external physical assistance. Competitors are reminded they must still respect the roadbook at all times including transiting remote refuels.

EMPTYING AND/OR REFILLING THE TANK IN THE SERVICE PARK

When necessary, as part of service (i.e. changing of fuel tank, changing of fuel pump, changing of fuel filter, changing of any other item of the fuel circuit), emptying and/or refilling is permitted in a service park provided that:

- The work is carried out with the knowledge and approval of the Service Park Manager
- Fire extinguisher with operator on standby to be provided by the competitor.
- No other work is carried out on the car while the fuel circuit is open and/or during the emptying and/or refilling operation.
- A suitable safety perimeter is established around the car.
- Only sufficient fuel is added to reach the next refuel zone.
 - Crews will be held responsible for any fuel spillage and subsequent environmental damage.

Art. 8.2 Distribution during the rally

- **1715hrs – 1730hrs:** Opening Ceremony
- **1730hrs:** First car starts in Reverse Numerical Order

A representative of the team may deliver the car to the display park. A penalty for late arrival will be \$25.00nzd per minute.

Crews must be present with their cars and be wearing their driving suits at least 15 minutes before their Ceremonial Start Time.

Competitors will start at approximately 30 second intervals in Reverse Numerical Order as per the Start List published at 1600hrs.

Art. 12.2 Finish procedures

NZRC Cat 5 and One Day Competitors

The finish of the rally for Day One only competitors will be at TC 10A. From there competitors must follow the directions of Officials. A Finish Ceremony to recognise NZRC Cat 5 Competitors will take place at Parc Ferme – Mitre 10 Mega immediately after the final time control. This will take place as soon as practical once all vehicles have entered the final control. Those competitors in the above classes who intend to compete in Day 2 will rejoin at TC10B without penalty.

Two Day Event Finish

The finish of the rally will be at TC 18B. From there competitors must follow the directions of Officials to drive over the finish ramp at the Service Park, Pohe Island and return to the final Parc Ferme.

Art. 12.3 Permitted early check-in

Competitors may book in early at TC2A, TC6A, TC9A, TC9, TC10A, TC18A and TC18B without penalty. Competitors must follow the instructions of the control marshal for the entry into TC0.

Art. 12.4 Whangārei Super Special Stage, regulations and order

The SSS will be held in the afternoon to provide a sporting spectacle for the spectators. Competitors will start at 1-minute intervals. Between SSS9 and SSS10 cars will be held in a Neutralisation Zone located on Te Matau ā Pohe. Red Flag – if the competitor in front of you has not cleared the jump the following competitor will STOP for the Red Flag.

Art. 12.5 Special procedures and activities

Art. 12.5.1 Promotional Requirements

NZRC Competitors are required to attend the Official Welcome function, Thursday 7 November at 2000hrs at the Whangarei Council Building Te Iwitahi Civic Centre, 9 Rust Avenue. Our event Sponsors along with the associated District Council, City Council and other business representatives will be present. This is your opportunity to assist in showcasing the support in having the APRC International Rally of Whangarei return to the region again. Drivers or codrivers that are not arriving into Whangarei until Friday and therefore unavailable to attend must notify the Clerk of the Course on info@rallynz.org.nz

NZRC Competitors are requested to assist the Organiser's promotion of the event by providing a single ride per car for a VIP guest as part of the Shakedown at Pohe Island on the afternoon of Friday 8 November. Competitors may take part in the Promotional VIP Rides provided they have completed and passed Scrutineering Checks.

NZRC Competitors will be required for an autograph signing session from 1615-1715hrs at the Ceremonial Start display park.

Competitors are requested to assist the Organiser's community engagement plan by participating in a meet and greet and signature session at the Hikurangi Refuel on Saturday 9 November.

Post Parc Ferme Media Activation - All crews to stay for 15mins after exiting the Parc Ferme for media and spectator activation by Mitre10

Art. 12.5.2 Starting interval and start order

For each Leg, Competitors will start at one-minute intervals.

- For Leg 1 National Competitors will be seeded at the organiser's discretion.
- For Leg 2 Crews will be seeded in the order of their performance on Leg 1.

Art. 12.5.3 Starting system for special stages

Art. 12.5.3.1 Start

The competitors start time will be allocated at the start line by the Start Marshal using the RallySafe system. The countdown will be provided within the car via the RallySafe in car display. Time cards will be filled out by the timing marshal from the safety tracking system tablet as per Manual 36, Schedule R, Article 12.5 (2) Method 2.

A false start will be detected by a photocell placed 40cm after the starting line, with the RallySafe system as backup.

Art.12.5.3.2 System Failure / Start Backu

In the event of a system failure the Start will be by lights –

- RED until 10 seconds before the start
- At 10 seconds the RED and AMBER lights show
- At 5 seconds the RED light goes out and the AMBER light counts down the last 5 seconds.
- The GREEN light shows at 0 seconds and for 6 seconds afterwards.
- There is also a digital clock for competitors.

Art. 12.6 Flexi service

Flexi-servicing of 20, 45 and 30 minutes shall permit the removal of the competing cars from a parc fermé to an adjacent Service Park, with common entry and exit time controls. The operational window of flexi-servicing time starting from the arrival of the first car into the parc fermé is declared on the rally itinerary.

RUNNING OF FLEXI-SERVICE AND TIME SCHEDULES

For the operation of 45 flexi-servicing, crews will enter the parc fermé. Should a car be unable to be restarted and driven under its own power from the Parc Fermé to the service area before the flexi-service, the marshals and/or team personnel shall be permitted to push or tow the car to its dedicated service bay.

Crews may then either enter the Service Park or leave their car in the parc fermé.

The competing car may be driven by an authorised representative of the competitor only once from the parc fermé to the Service Park and vice versa, respecting all the formalities of time card presentation and related penalties.

The competing car may be returned to the parc fermé before the 20,30 or 45 minutes have elapsed without penalty

Should you require further information of this process approach a CRO for clarification.

Art. 12.7 Time card changes during the Rally

Time Cards will be issued at Time Controls TC0, TC4A, TC8A, TC10B, TC14A

Art. 12.8 Driving conduct

Competitors must note the provisions of Appendix Three, Schedule R, Part One Art 7 and Sch P, A3R.4 of the current MSNZ Manual

The penalty for a breach of these Articles during the Event including Reconnaissance are:

- 1st Traffic infringement \$100
- 2nd Traffic infringement \$500 plus 5 minutes penalty minimum
- 3rd Traffic infringement \$1,000 plus exclusion from the Event.

Art. 12.9 Traffic offence notice & accident reporting

Upon entering every Parc Ferme, Competitors are required to notify a CRO in writing if they or any member of their team have received a Traffic Office Notice. The submission of an entry is also an agreement that the New Zealand Police may advise the Organisers of the details of any notices issued.

Art. 12.10 Accident procedures / red flags

Crews should refer to the page at the front of the Road Book which deals with the action that must be taken in the event of an accident. Failure to follow these procedures will be reported to the Stewards of the Meeting.

Art. 12.11 Retirement

Any crew retiring permanently from the rally must report such retirement to the Organisers as soon as possible using the telephone number in the road book and lodging the "Notification of Withdrawal from Rally Form" in the road book with a CRO, Senior official or Sweeper. Failure to comply will be liable to a sanction at the discretion of the Clerk of the Course.

Art. 12.12 Removal of cars from the final Parc Ferme

All cars must be kept in Parc Ferme until the Stewards have authorised that Parc Ferme can be opened and final results have been approved. All cars must be removed from the final Parc Ferme at the latest by 1800hrs on Sunday 10 November. The security of these vehicles cannot be guaranteed after this time.

Art. 12.13 New Competitors

Any Driver(s) who is competing at one of their first three rally events or is competing for the first time after a period of two years must attend the new competitor special briefing. The venue for this will be at the Rally Secretariat at Pohe Island on Friday 8 November at 1500hrs.

Art. 12.14 NZRC competitors

The "Power Stage" will be SS5 Helena 2. If for any reason this stage is interrupted or cancelled the "Power Stage" will then be SS8 Marlow 2. The NZRC Portfolio allows competitors to restart and contest the Power Stage. Accordingly, at the discretion of the Cotc, these competitors may restart and contest the Power Stage. The NZRC Portfolio allows competitors to rejoin at the exit of the next service park. These competitors will not be classified in the final event classification.

For the purposes of NZRC Points allocations, Leg 1 will be considered to begin at TC0 and conclude at TC10A. Leg 2 will be considered to begin at TC10B and conclude at TC18B.

Art. 12.15 Parc Fermé

Overnight Parc Ferme - All Competitors must respect the itinerary including Parc Fermé.

Saturday Overnight Parc Ferme NZRC Cat 1,2,3 & 4 Competitors must respect the itinerary including Parc Fermé. For all other competitors, a park adjacent to the Parc Fermé will be available on Saturday night which may be used at the competitor's discretion. As per Article 12.2 TC10A is the final TC for Leg 1 for these competitors and TC10B is the re-joining point for Leg 2.

Should a car be unable to be restarted and driven under its own power from the Overnight Parc Fermé to the service area before service, the officials/marshals and/or team personnel shall be permitted to push or tow the car to its dedicated service bay. The maximum distance that towing is allowed between Overnight Parc Fermé and the Pohe Island Service Park to be 5kms. No other work than towing can be done.

Art. 12.16 Official time used during the rally

The official time for the event will be NZDT UTC +13.

Art. 12.17 Flying Finish

The Flying Finish warning sign will be placed 100m prior to the Flying Finish.

Three, Two, One, boards will be used to advise the remaining distance to the Stop Control.

Art. 12.18 Re-joins

For competitors competing in the International Rally of Whangārei, it is permissible to re-join the event should a competitor fail to complete sections 1, 2, 3 or 4.

The following requirements will apply to re-joins;

- Re-joining point: TC2B – exit TC from Hikurangi Regroup
- Re-joining point: TC4C – exit TC from Service Park Pohe Island
- Re-joining point: TC6B – exit TC from Hikurangi Regroup
- Re-joining point: TC8C – exit TC from Service Park Pohe Island
- Re-joining point: TC10B – Parc Fermé Out Mitre 10
- Re-joining point: TC14C – exit TC from Service Park Pohe Island

Rejoins will be at the sole discretion of the Clerk of the Course, Competitors who wish to rejoin must advise the CRO at the earliest opportunity.

A competitor who rejoins after submitting a Temporary Withdrawal, shall not feature in the final results as per Sch R, Part One, Art 27, of the current MSNZ Manual, Allcomers and NZRC Cat 5A, 5B, and 5C Competitors who finish Leg 1 at the TC10A Parc Ferme In will rejoin at TC10B and be classified in the final results

Day One Competitors wishing to compete on Day Two

They may leave their car in a secure parking area located adjacent to the overnight Parc Fermé. They must then report to start Leg Two at TC10B 10 minutes before their due start time. Competitors whose car is not already in Parc Fermé may start from the area immediately outside the Time Control exit area.

Art. 12.19 Servicing

An area of approximately 7.5m x 6m will be allocated to each competitor.

Competitors who wish to share service crews or with large trucks and Service Vehicles are requested to make an application with details and dimensions of the extra space required to the Secretary of the event by 25 October 1700hrs.

Service Park allocations will be published on the Notice Board by 0800hrs Thursday 7 November. The service park will be in operation from Thursday 7 November 1400hrs.

Competitors are requested to liaise with the Service Park Manager to oversee the placement of large Service Vehicles; these are to be in place by 1400hrs Thursday 7 November.

Access to the service park is available only to competing cars and Service Vehicles with the correct "Service" decal. All servicing must be carried out using a groundsheet to collect debris and to contain spilled fluids.
