- **Personal Safety Equipment Declaration** -. Can all competitors please ensure that they fill out the Personal Safety Equipment Declaration for driver and Co Driver with their entries on the Shannonsports website. This will only have to be done once, as the system will save the information in a similar fashion to the rest of the entry details and can be used on future events. Any competitor that fills out the Personal Safety Equipment Declaration correctly on Shannonsports do **not** have to bring their Personal Safety Equipment to scrutiny. This will facilitate a much faster mechanical scrutiny for all competitors.

For clarity, if both crew members attend the same briefing their time cards will be issued at that time, if one crew member attends the Saturday briefing and one attends the Sunday briefing, the timecards will be issued to the attendee on Sunday morning.
- **Recce:** 3 passes are allowed on stages from 09:00 to 17:00, Please respect the residents & other road users during recce.
