Subject: Cambrian Rally 2024 - Average Speed

Hi Phil,

Further to your message yesterday and following confirmation that the required officials have viewed the webinar provided, I am pleased to be able to confirm that your event can utilise the 75mph average speed.

Please take this email as written confirmation of such; should the Motorsport UK Steward wish to see evidence of such request, please present this email to them.

If there is anything else we can help with, please let me know.

Kind Regards,

Jonathan
