Art. 11.9: Installation of the safety tracking system:

The tracking system units will be available for collection just inside the gates of scrutiny venue, and these units must be fitted by the crews before entering the scrutineering bay.

Separate Information will be issued on this procedure on events sportity page.

Art 11.8.2: Service Area passes: The Service Area will be open for vans and trucks being brought in on Friday 15th March, between 12pm and 14pm and Sat 16th March, between 06.30am and 07.30am and Sunday 17th between 07.45am and 08.45am. A RED pass will be issued in the rally packs for competitors. This will only allow you in during these times, NO EXCEPTIONS. This Pass will then be taken from you on entering service.

Under no circumstances are vans and trucks to be in the vicinity of the Service Area before these times. This has caused us problems in the past, blocking roads to local traffic. Gardai and Marshals will be in the area to police this and reports will be made to the COC regarding this matter.

A YELLOW pass will also be issued. This will allow you in at times outside of those given above. Security will be on site and there will be a one-way system in operation.

Your cooperation on this is imperative if we are to use this venue in the future.

Ground sheets are compulsory for service and must be used at all times.
