The Stewards having received a report from the Clerk of the Course, having heard the crew Hashim KALBOUNEH / Dergham RUSTOM, having considered the matter, determine the following:

Fact (Time): 09:39, Refuelling in a non-active refuel zone.

Offence: Breach of Article 16.1.45 of the 2025 Jordan Rally Championship General Regulations.

Decision: **Impose a fine of one hundred (100) JD.**

Reason: Having heard the explanation of the driver that he saw the refuelling zone with the signs displayed and setup, he sent his fuel to the refuelling area. After starting at TC0 and since the refuel zone was already setup he stopped and topped up the fuel tank thinking refuelling was allowed. Since the CoC report only stated that refuelling occurred, while the competitor confirmed that he adhered to the refuelling procedure. The Stewards considering the case, although an infringement of the regulations article 16.1.45 of the JRCGR, took into account the competitor's explanation, consider the above fine is sufficient for this case.

This decision is not to be taken as precedence for future infringements.

Competitors are reminded of their right to appeal the Stewards decision in accordance with Article 15.2 of the 2025 Jordan Rally Championship General Regulations within the applicable time limits.
