Ground rules according to Chapter V of Appendix L of the ISC.

The driver is responsible for ensuring that the manoeuvre is carried out safely at all times and may freely choose to drive on the right or left only if it is 100% clear to do so - meaning that no part of another car is alongside - and violations of the Code of Driving Conduct (see below) may result in the display of the black-and-white flag (warning) or black flag (classified last in the Heat, ahead of those who did not start, and classified last in the Semi-/Finals, ahead of those who did not start), in accordance with Art. 12.2.2 of the SportReg or may be reported to the Stewards for review and decision.

In the event of equivalent repeated incidents during the same competition, a decision may be made to show the black flag.

These criteria include serious mistakes or any indication of a lack of control over the car.

The Stewards having received a report from the Race director (Report No.1), having examined all relevant evidence, summoned by CLO and heard the driver Ervins GRENCIS (#9), consider the following matter, determine the following:

Driver and Car No:	GRENCIS, Ervins #9
Competitor:	GRENCIS, Ervins
Time (fact):	28/06/2025, 16.44 hrs
Session:	2nd Qualifying Practice Session
Fact:	Car #9 did a unsafe return to racing line and caused a collision with Car #15 at Turn 3 (WP 4)
