## 12 OTHER PROCEDURES

### 12.5 Organisers promotional activities (is replaced with the following)

There will not be any PR activities on Wednesday 8 February.

All Priority 1 cars with both crew members, as well as cars and both crew members of cars No. 20, 21, 22 and 23 are required for the prestart show and autograph signing at the Red Barn arena on Thursday 9 February. All the above-mentioned cars must be present at the line-up at latest by 17:20.

The procedure is as follows:

- After cars are parked in line-up order, all crews go for autograph signing which starts at 17:30.
- Directly after autograph signing, cars are driven onto the ramp as directed by the marshals.
- Crews participate in interviews on stage and then drive off stage and are escorted through the crowd, back to the holding area before TC 0.

Any further information will be coordinated with the PR representatives by the Event Media Coordinator.

### 12.16 Media Zones (new article)

All priority drivers (and co-drivers upon request) must be available for media interviews for a minimum of 15 minutes or until they are given permission to leave by the FIA Media Delegate (not by their team or personal press officer).

The Media Zone will be operational as follows: **TC1A, TC4A, TC8A, TC11A, TC15A, TC16A, TC18A**.

Access to the Media Zone is restricted to the following:

1. Accredited media or team media personnel holding a green pass
2. Team principals or team representatives, who are, in view of the FIA Media Delegate, performing media duties. Those representatives must request to the FIA Media Delegate the activation of the NFC sticker on their pass for this event.
3. Holders of a red All Access pass

Requests for the activation of the NFC sticker (excluding red all-access and green media passes) should be sent by email to: FIA Media Delegate Richard Rodgers, [rrodgers-consultant@fia.com](mailto:rrodgers-consultant@fia.com).

For the avoidance of doubt, the Media Zone will no longer be divided into two separate zones (Zone 1 and Zone 2). However, an interview area complete with branded backdrops will still be arranged and all priority drivers (and co-drivers upon request) are required to report to this area on arrival in the Media Zone without delay for interviews with broadcast media, with priority to be given to WRC TV.

Non-broadcast media will be able to access this area but are also permitted to conduct interviews in close proximity to the cars, depending on sufficient time being available.

Accredited media will be advised to respect personal space when interviewing drivers/team principals and will be encouraged to use recording equipment on extension poles or in fixed positions. In addition, accredited media will be reminded that Rally1 cars can be hard to hear when starting/moving.

It is the duty of team/driver press officers to manage the time available appropriately and to be aware of the need to allow for interviews and the giving of relevant information upon request.

No other personnel will be allowed in the Media Zone unless authorised by the FIA Media Delegate and holding the correct pass and approved access.

Any questions should be addressed for this event to FIA Media Delegate Richard Rodgers, [rrodders-consultant@fia.com](mailto:rrodders-consultant@fia.com), +44 7503 871575.
