Bulletin N° 2

Subject: Refuelling Towers / Refuelling Rigs

Having considered the specific sporting format of the GT Cup Series 3-Hour Endurance Race, the Stewards hereby approve the following exception for this Event only:

As an exception to:

- Article 7.4.2 of the GT Cup Series Sporting Regulations; and
- Article 5.3b of the FIA Central European Zone Endurance Championship Regulations concerning the use of refuelling towers,

The usage of refuelling towers (refuelling rigs) shall be permitted from the start of the race and throughout the entire duration of the Competition.

All refuelling operations shall be carried out in full compliance with the regulations of the event.

All other provisions of the Sporting Regulations and FIA CEZ Regulations remain unchanged and fully applicable.
