

## BFR 2025 RECCE INFORMATION -

You MUST check-in at Competitor Recce "Check-In" at McKee High School BEFORE you start your reconnaissance.

We will be using the RSLite APP for recce.

Stage Road Reconnaissance times:

Thursday: 0830 - 1800. Friday: 0800 - 1130. Saturday: 0800 - 1130.

These are the only times you are allowed on the stages during recce.

### **1. THE UNPOSTED SPEED LIMIT ON STAGE ROADS IS 35 MPH !!**

**2. There will be two-way traffic on many stages.** (SS 1, 2, 11, 12 and Shakedown) (some will be when the two-pass cars turn around to rerun the stage). Please make note of these stages and drive extremely carefully!

### **3. You may NOT run the following stages in reverse!!**

SS3/5 – Hale Ridge (no need. There's an easy return route)

SS4/6 – White Ash (Too narrow)

SS7/9 – Poplar Gap (Stage 7/9 and 8/10 together make a nice loop)

SS8/10 – New Hope Tower

**4.** Our BFR Stage Marshals will be setting up Stages on Thursday and will be on the roads. Please take extreme care for everyone's safety.

**5.** The exact route you take is up to you; the following route ideas are just suggestions (The following instructions are for people doing a 2 pass recce). The times listed are cumulative suggested times from the first stage you recce; they give you an idea of your pace as you proceed along. You may adjust your schedule as you see fit. This route is figured on 20 mph on a stage the first pass and 25 mph on the second pass. There is not any time for a sit-down lunch; there are gas and quickstop stores in the three towns indicated – not much else anywhere.

Routes that make sense for recce:

Route 1 - Livingston to McKee (or vice versa) – SS 7/9, 8/10, 11.

Route 2 - McKee to Beattyville (or vice versa) – Shakedown, SS 12, 1/2, 3/5, 4/6.

Combine the two routes above to make one long day (Start with Route 1).

Route 3 - Recce SS: 7/9, 8/10, 11, Shakedown/SS12, SS1/2 on day 1. Then SS3/5, 4/6 in a second short day.
