

## TECHNICAL DEPT NOTICE

2023-2024 Super Sprint MotorSport New Zealand Championship Series

Circuit Chris Amon Manfeild 26 – 28 January 2024

### Toyota 86 & GT Championship Official Weigh Station and Measuring Pad Location

The event official weighing scales and measuring pad are located in Garage 10 of the garage complex.

Entry and exit to the measuring pad for the purposes of post qualifying/race checks will be from the Pit Paddock side door of the garage. Access from the pitlane side door will only be possible by reversing the cars onto the measuring pad during times when races are not running.

Vehicles are to be turned off and are to be pushed on to the scales.

All Toyota 86 and GT NZ Championship weighing and technical checks will be conducted at that location unless otherwise notified.
