## **Welcome to the 59th ADAC Rally Erzgebirge**

*The Chemnitzer Automobil- und Motorradclub e.V. in the ADAC is pleased to welcome you as guests, supporters, helpers and participants here in beautiful Saxony.*

*As every year, everyone involved in the organization did everything they could to ensure that it would hopefully be an exciting and interesting rally weekend that will run smoothly.*

*We are pleased to be able to host the opening event of the German Rally Championship again this year. In Rally 70, however, it will be the second race. Stay tuned for exciting, captivating and exciting fights at both events. The varied and demanding routes on asphalt, concrete and unpaved roads once again correspond to the traditional and classic routes of Rally Erzgebirge.*

*We are proud that we managed to organize these events in collaboration with all cities, municipalities, the RVE, residents, owners, agricultural cooperatives, companies and would like to thank you for your support.*

*We therefore ask all spectators to behave carefully and to follow the instructions of the sports officials so that we can continue to experience and enjoy this wonderful sport together for a long time.*

*Please do not park on private property or meadows and fields.*

*Our big thanks go to all the marshals and emergency services, the fire brigades, the rescue service and all the other countless helpers, before, during and after the rally. It is these people who stand on the tracks no matter what the weather and contribute to the success of the rally.*

*Many thanks to everyone who supports us financially or materially. Without these supporters and sponsors, holding the rallies would be unimaginable.*

*We ask citizens and residents who are not necessarily fans of rally sport for tolerance and understanding. We wish everyone an accident-free event, the participants also sporting successes and all spectators eventful and exciting hours at the 59th ADAC Rally Erzgebirge.*

*Daniela Pöttsch*

*Organization Manager / Managing Director (honorary)*

*Chemnitz automobile and motorcycle club e.V. in the ADMV*
