The Stewards, having received a request from the competitor of car 16 with video evidence, car data have considered the following matter and determine the following:

**Fact:** The tracking system in car 16 displayed incorrect data in the virtual chicane of SS2

**Decision:** To allocate a time of 4:22,5 in SS2

**Reason:** The person responsible for the tracking system confirms that the tracking system in Section 2 malfunctioned and the antenna of the system was replaced in the following regroup..

The green "GO" signal was not shown on the display of the tracking system and therefore the crew remained in low speed longer than necessary in the virtual chicane.

Competitors are reminded of their right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
