WELCOME TO THE 4TH EDITION OF THE RED BULL RING CLASSICS!

The fourth edition of the Red Bull Ring Classics will take place from 28 to 30 August 2026, bringing together an outstanding selection of historic racing cars and renowned international racing series.

We are delighted to welcome eight spectacular racing series to this year's event:

BMW 325 Challenge
BOSS GP Racing Series
CLASS ONE Revival
Colmore YTCC
Formula Vee
Golden Ära Classic Cup
Historic Formula Challenge
Interwetten SportsCar Challenge

Thank you for being part of the Red Bull Ring Classics. We are looking forward to welcoming you to Spielberg for another unforgettable weekend of historic motorsport.

This Team Guide contains all essential information for your participation in the event. Please read it carefully before your arrival. Should you have any questions, our Event Operations Team will be happy to assist you at any time.

A few words before we begin
Historic racing is built on passion, respect and the preservation of unique racing cars. While competition is at the heart of our sport, we kindly ask all drivers to race with fairness, respect and consideration for fellow competitors. Avoiding unnecessary contact helps preserve these exceptional cars and ensures a safe and enjoyable weekend for everyone involved.

Circuit address and important contacts

ORGANISATION

EARLY ARRIVAL
Teams arriving on Wednesday are welcome to use the shower and toilet facilities located in the Pre-Parking Area (P0).

Important: Trailers must remain in the designated Pre-Parking Area (see page 07) and are not permitted inside the paddock before the official access times.

TEAM ARRIVAL
On Thursday, 27 August 2026, the Pre-Parking Area will be open from 07:00 - 18:00.

Access to the pit garages will be available from 12:00, while access to the paddock will be possible from 14:00.

Important: On Thursday, all pit garage doors facing the pit lane must remain closed.

A detailed map showing the route to the paddock and Pre-Parking Area is included.
Parking for private vehicles is available outside the circuit, in front of the main building.

Important: Private vehicles and trailers are not permitted to remain in the paddock. They may only enter the paddock for unloading race cars and equipment before being moved to the designated parking areas.

As we expect a large number of participants and historic race cars, paddock space at the Red Bull Ring is limited. To ensure an efficient and safe paddock operation, the following procedure applies:

- Teams transporting their race cars by trailer are kindly requested to move their trailers to the designated Trailer Parking Area once unloading has been completed (see the map on the following page).
- Private vehicles should be parked in the dedicated team parking areas located near the main entrance.
- Camping is generally not permitted at the Red Bull Ring, including the paddock and all circuit premises.
- Teams travelling with motorhomes, campers or caravans are kindly requested to use one of the nearby campsites, which will be open throughout the event.

Further information and booking Camping Sites:
https://tickets.redbullring.com/de/spielberg/redbull-ring-classics-2026/campingsimple.html

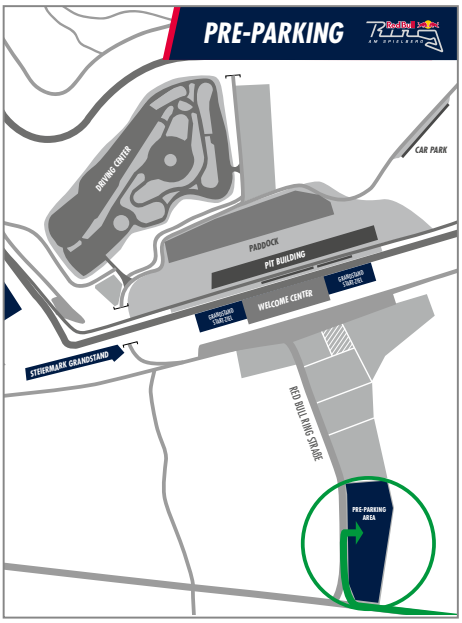

RED BULL RING CLASSICS

28. – 30. AUGUST 2026

DIRECTIONS TO RED BULL RING

PRE-PARKING AREA

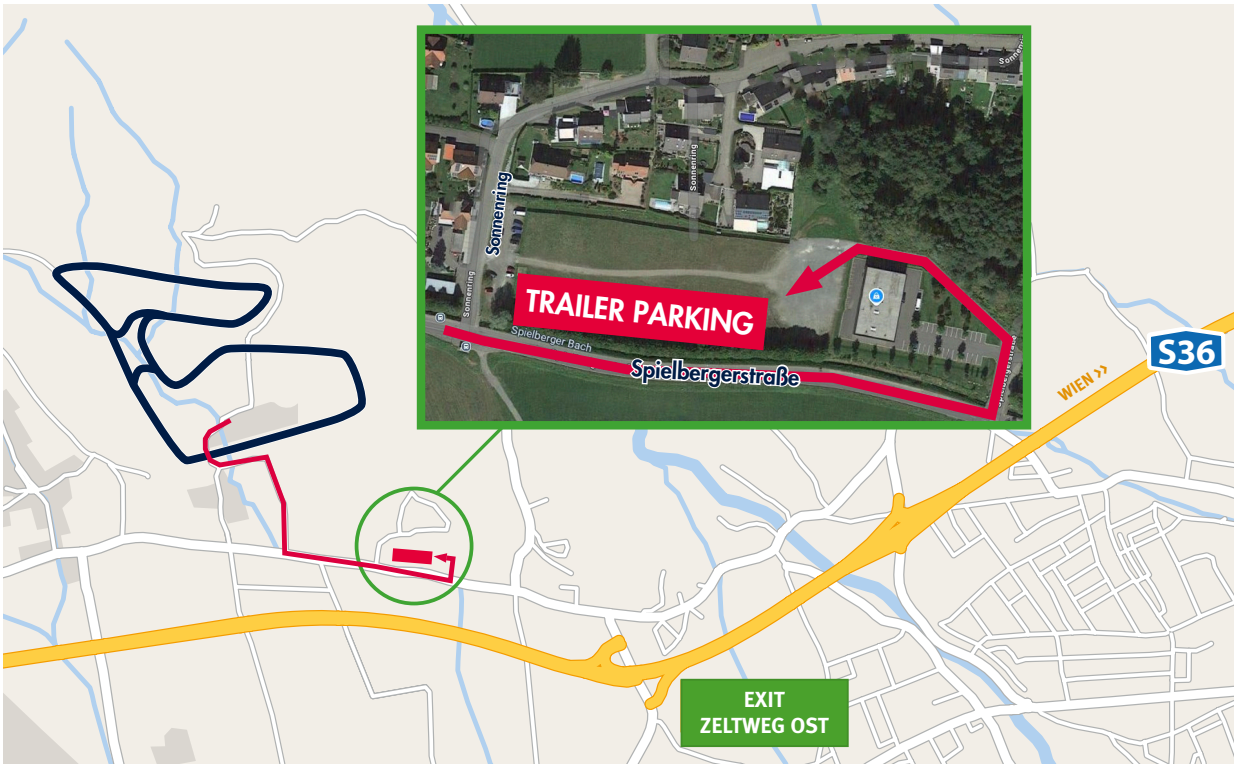

All teams arriving for pre-parking are requested to follow the clearly signposted "P0 Pre-Parking / Holding Area" pylons. This sign will guide you directly to the designated Pre-Parking Area. Please follow the on-site instructions of the parking staff.

This is the pylon that you have to follow if you are pre-parking.

Trailer parking – directions

The designated trailer parking area is located near Spielbergerstraße / KTM Walzer and can be reached via the Zeltweg Ost exit. Please follow the marked route shown on the map and the on-site instructions of the parking staff.

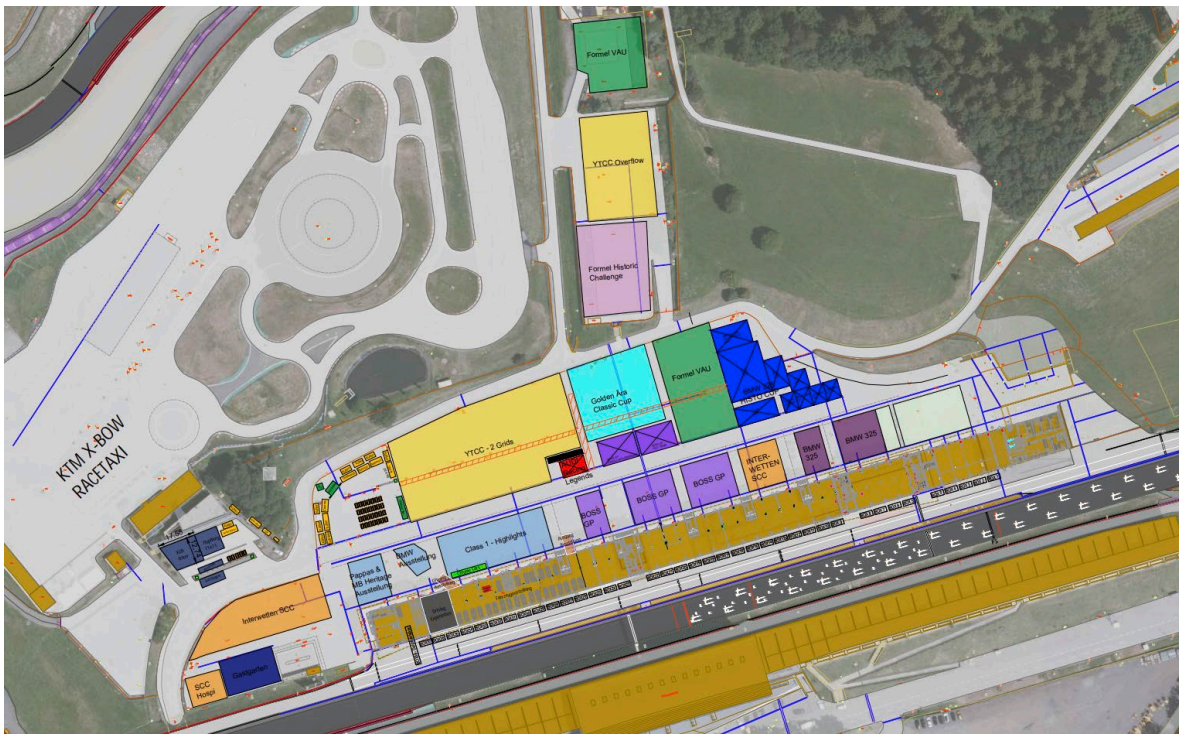

Please note: No water or electricity supply is available at the trailer parking area.

PADDOCK

The paddock plan included in this document is provided for guidance only and indicates the approximate location of each racing series within the paddock.

The final paddock allocation, including the exact locations and dimensions of each paddock area, will be communicated separately to the respective Series Coordinators prior to the event.

Important: If you are planning to install any special structures within your paddock area, please complete and return the "Construction Confirmation" forms enclosed with this Team Guide.

PETROL AND DIESEL

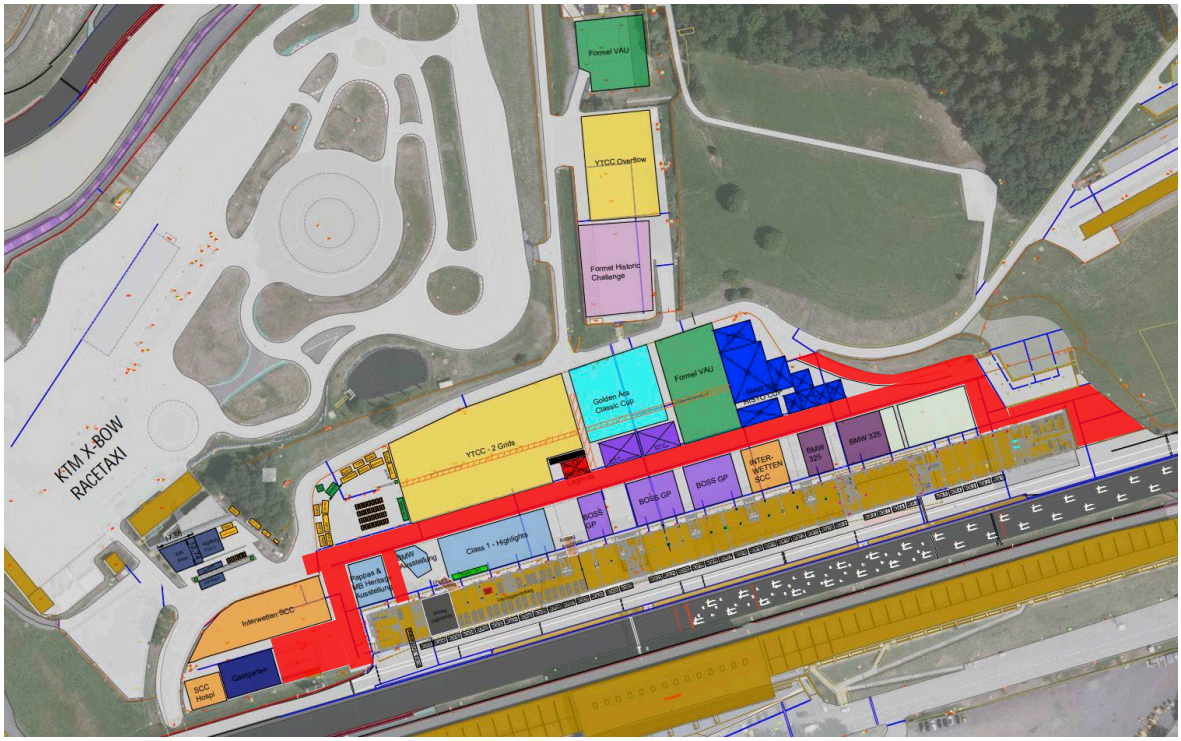

Petrol (Super 95 and Super 100) as well as diesel will be available at the paddock fuel station (see paddock plan). Please note that **cash payments are not accepted**. Payment is possible by card only.

PIT GARAGES

A dedicated Pit Garage Allocation Plan, showing the allocated pit garages for each series and teams, will be shared with all Series Coordinators prior to the event.
Teams allocated a pit garage are kindly asked to contact their Series Coordinator for details regarding their pit garage allocation.

PADDOCK INFORMATION

Important: No vehicles may remain parked within the paddock, as it serves as an emergency access route (see red surfaces below) and must be kept clear at all times. Dedicated parking areas are available outside the paddock.

TRAILERS, RACE CARS, MOTORHOMES AND PRIVATE VEHICLES

Only race cars are permitted inside the paddock. Access is via the paddock tunnel.
Private vehicles must be parked in the designated parking areas in front of the main building.
All trailers must be moved to the designated Trailer Parking Area (Sonnenring) after unloading.

ACCREDITATIONS AND VEHICLE PASSES

Tickets and accreditations will be distributed to all Series Coordinators during race week. Drivers and team members should collect their credentials directly from their respective Series Coordinator. Alternatively, credentials may be deposited for collection at the Red Bull Ring Accreditation Centre (ACC) during the following opening hours:

Friday: 07:00 - 18:00
Saturday: 07:00 - 17:00
Sunday: 07:00 - 14:00

Important: Vehicle passes must be fully completed and clearly displayed in the windscreen of the respective vehicle. Vehicles without a valid and completed pass will not be granted access to the paddock.

Additional tickets for guests can be purchased via the official Red Bull Ring ticket shop:
https://tickets.redbullring.com/de/spielberg/redbull-ring-classics-2026/tickets.html

BREAKDOWN & DEPARTURE

Teams are encouraged to dismantle their paddock setups and hospitality units immediately after their final on-track session. For safety reasons and to ensure that spectators can continue to enjoy the paddock until the official end of the event, vehicles may not leave the paddock before the event has concluded.

Paddock exit: Sunday, 18:00 - 20:00
Pit garage access: until 19:00
The paddock must be completely vacated by 20:00 on Sunday.

Teams wishing to stay overnight after the event may use the Pre-Parking Area (P0) in front of the main building until Monday. Shower and toilet facilities are available there and remain accessible 24 hours a day.

SPORTING

Detailed sporting information, including the Race Director's Notes, will be communicated separately prior to the event.

This will include:

- Document Checks / Licence Control
- Supplementary Regulations
- Drivers' Briefing
- Scrutineering
- Timing & Results
- Parc Fermé

Race Director: Eva Gruber
circuitracing@outlook.com | +43 664 154 72 13

FRIDAY TEST SESSIONS
Additional Friday Test Sessions for Touring Cars and Single Seaters will be available on Friday, 28 August 2026.
Teams and drivers are invited to secure their test session in advance via the online booking portal.

Booking Portal: https://shop.mtms.at/organizer/red-bull-ring/tickets/red-bull-ring-classics-testing-sessions-2026
Participation fee: € 175 per test session.

Secure your test session early – availability is limited.

ORGANISATIONAL MEETING
An Organisational Meeting for all participating race series will take place on Thursday evening, 27 August 2026, prior to the start of the event weekend.
Attendance by one representative of each race series is mandatory.
An invitation, including the meeting time, venue and agenda, will be sent to all race series in advance.

MEDIA

For all media-related enquiries, including press information, event communication and media accreditation, please contact:

media@redbullring.com

Media Accreditation
The deadline for submitting media accreditation requests is:
Monday, August 17th, 2026

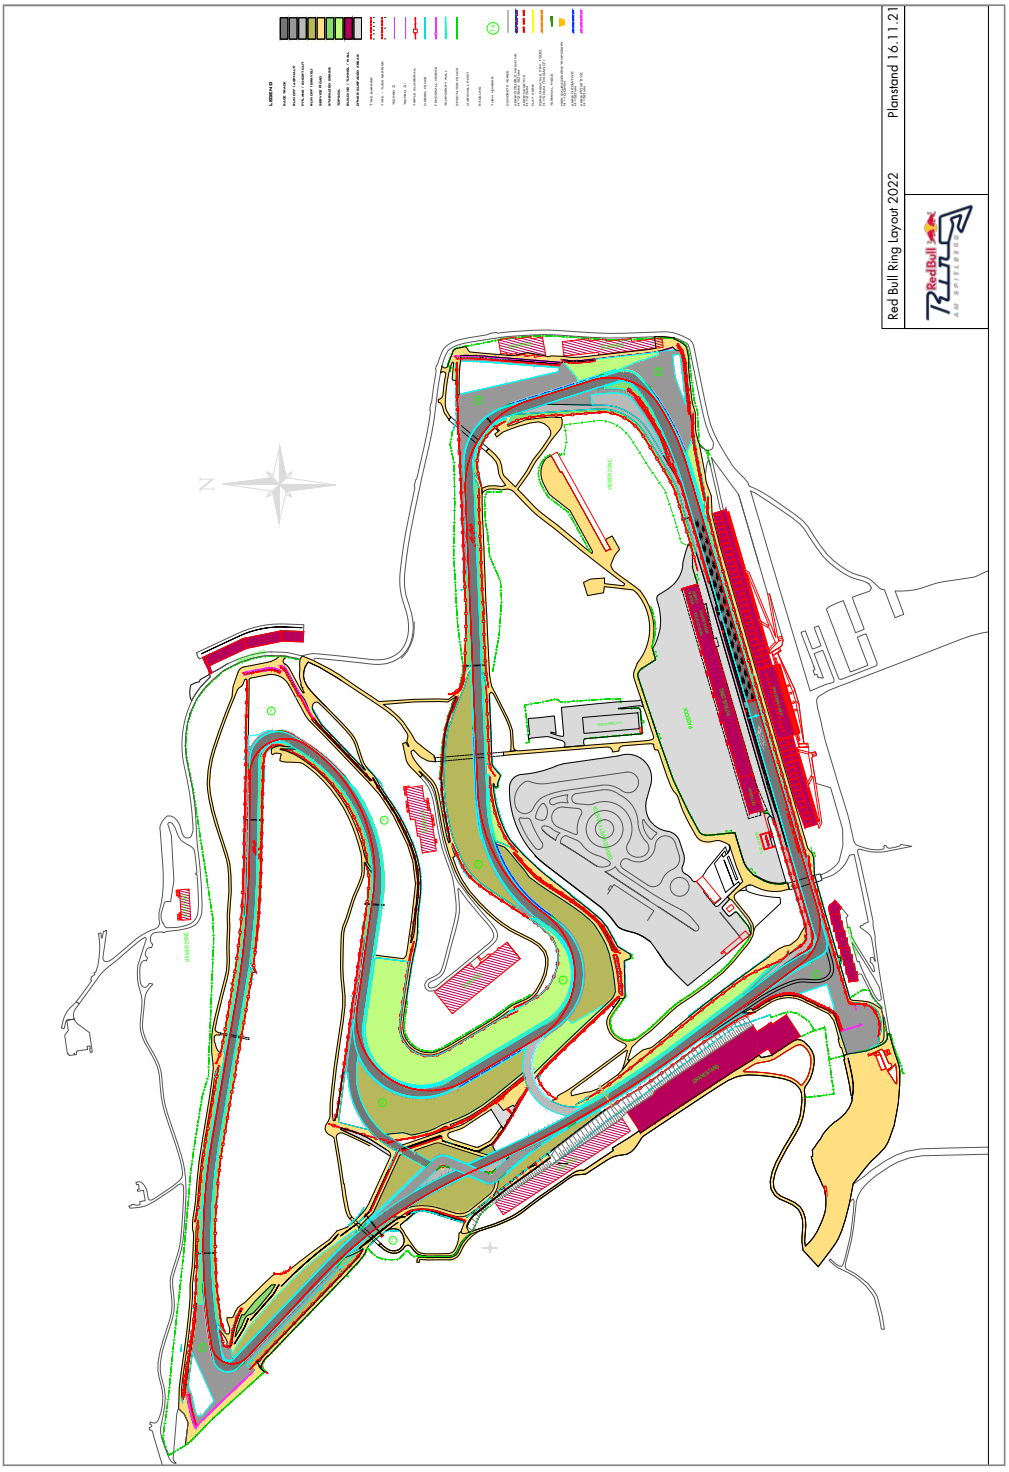

Further information and the online accreditation form are available via the Red Bull Ring Accreditation Portal: https://accreditation.redbullring.com/media/191917/accreditation

Following the accreditation deadline, successful applicants will receive all relevant information regarding the on-site accreditation process.
To ensure a smooth accreditation process, photographers are kindly requested to include the following documents with their application:

- Valid press card
- Editorial assignment
- Relevant motorsport references or published work

GENERAL INFORMATION & REGULATIONS

CIRCUIT PLAN RED BULL RING

PIT LANE BEHAVIOUR

Please observe the Pit Lane Behaviour Requirements displayed throughout the pit lane at all times.
For the safety of all participants, teams and visitors, compliance with these regulations is mandatory.

HOSPITALITY CATERING
External catering companies may not be brought onto the circuit for public hospitality purposes unless expressly approved by the organiser.
The Wing Café and Bull's Lane Restaurant will be open throughout the event weekend.

Monday - Thursday: 11:00 - 20:00
Kitchen à la carte 11:00 - 19:30
Kitchen Buffet 11:00 - 14:30

Friday - Sunday: 08:00 - 20:00
Kitchen à la carte 11:00 - 19:30
Kitchen Buffet 11:00 - 14:30

ACCOMMODATION
For accommodation, camping and additional lodging options in the Murtal region, please visit:
https://www.murtal.at/steiermark

OPERATING HOURS
In accordance with applicable public regulations, the Red Bull Ring facility and race track operate within designated hours.

Operating hours for the Red Bull Ring Classics:
08:30 - 12:00 & 13:00 - 18:00

Please note: During the lunch break (12:00 - 13:00), all engines must be switched off.

Following the Red Bull Ring Classics programme, the circuit may remain in operation for other scheduled activities until 20:00. Access to the race track outside the official Red Bull Ring Classics timetable is not permitted unless specifically authorised by the organiser.
Five minutes before the end of each operating period, the track will automatically be placed under red flag conditions. All vehicles must immediately return to the pit lane or paddock.

Outside the official operating hours of the Red Bull Ring Classics, a mandatory quiet period applies throughout the paddock and pit lane. This includes no engine running, music, noisy equipment or other activities that may disturb the surrounding area.

DRONES
The operation of drones is strictly prohibited unless prior written approval has been obtained from the Red Bull Ring Media Department.

Please note that the Red Bull Ring is located within a restricted airspace.

TRAFFIC
All vehicles must be driven at walking pace on all access roads, service roads and throughout the paddock. Please follow the instructions of event staff and security personnel at all times.

PARKING
Parking is permitted only in designated parking areas.
Vehicles parked outside the designated areas may be removed at the owner's expense.

WASTE DISPOSAL
Please help us keep the Red Bull Ring clean.

General waste must be disposed of in the designated waste containers.
Hazardous waste, including tyres, fuel drums, vehicle parts, carpets and similar materials, must be removed by the respective team. Disposal costs for any abandoned material will be charged accordingly. Hazardous waste must be taken away by the participants again, otherwise the organiser will have to charge you for disposal.

SMOKING
Smoking is permitted only in designated smoking areas.

SAMPLING/DISTRIBUTION OF FLYERS
The distribution of promotional material, flyers or other marketing material is prohibited unless prior approval has been obtained from the organiser.

24H – CIRCUIT SECURITY
Circuit Security is available 24 hours a day throughout the event.

Emergency Contact:
+43 664 2080165

Should you require dedicated security services for your team or hospitality area, please contact the organiser for assistance.

WIFI
Should you require a dedicated Wi-Fi connection, please contact the organiser (Sabine Stiendl) in advance.

DAMAGES

Teams and participants are liable for any damage caused to the Red Bull Ring facilities or race track infrastructure. Drilling, fixing, attaching or painting on buildings, pit garages, walls, barriers, fences or any other permanent infrastructure is strictly prohibited. Any costs incurred for repairing damage to the circuit or its facilities will be charged to the responsible series coordinator, competitor or team.

ADVERTISEMENT & MARKETING

It is expressly prohibited to name, depict and/or advertise such third parties that manufacture, sell, distribute, market or advertise energy drinks (i.e. beverages containing caffeine, taurin and/or guarana that are marketed as energy drinks) and/or offer mobile services, and/or their products.

TRUCK DRIVING BAN

Please note that statutory driving restrictions for heavy goods vehicles apply in Austria, including:

- Night driving ban: Daily from 22:00 - 05:00
- Weekend driving ban: Saturdays 15:00 - 24:00 and Sundays/public holidays 00:00 - 22:00

Teams are solely responsible for complying with all applicable regulations and obtaining any required exemptions. Where an exemption is required, the application should be submitted to the competent Austrian authorities at least two weeks prior to the event to allow sufficient processing time.

Further information is available via the Austrian Business Service Portal:
https://www.usp.gv.at/en/themen/betrieb-und-umwelt/transport-und-verkehr/lkw-fahrverbote.html

If you have any problems with that, please don´t hesitate to contact us. In the event that your intended driving route involves several Austrian provinces, a separate application must be submitted to each authority concerned.

RADIO FREQUENCIES

Teams operating their own radio communication systems are responsible for obtaining the required authorisation from the competent Austrian authority.

For frequency coordination, please contact: office@fb.gv.at

RED BULL RING CLASSICS

28. – 30. AUGUST 2026

PARTNERS

Audi Sport racing legends · Gady · CHROMECARS · interwetten · LIGRE · Pappas CLASSIC

Thank you for being part of the Red Bull Ring Classics 2026. We wish you a safe journey, a successful race weekend and an enjoyable stay at the Red Bull Ring. We look forward to welcoming you to Spielberg.

Should you require any assistance during the event, our organising team will be pleased to help.

NOTES
