

# Team Catering Available

To all Competitors and Teams:

This year the American Rally Association has been working with Motorsport Location Catering (MLC) on a new program to make on-site catering available at ARA National events.

MLC has worked with several ARA teams over the past few seasons, and they are excited to offer their services to all teams in attendance.

If you are interested in being part of the MLC catering program, please reach out directly to Pawel Blum and his team.

Thank you all for being part of the ARA and we will see you on the stages!
