

2023 SUPPLEMENTARY REGULATIONS

For the Oregon Trail National Rally & Super Regional Rally

May 19-21, 2023

Portland International Raceway

Goldendale, Washington

Dufur, Oregon

Part of the:

2023 Green APU ARA National Championship

West Regional Championship

California Rally Series Championship

Welcome to Oregon Trail Rally 2023!

The Oregon Trail Rally presented by Wilsonville Subaru is the 4th round of the 2023 Green APU American Rally Association National championship. Our Super Regional event, occurring at the same time, will be honoring the original founders of our rally in different ways this event. The super regional will count towards the American Rally Association West regional championship, as well as the California Rally Series Championship.

It's going to be an action-packed event with three days of racing starting at Portland International Raceway Friday, then Goldendale Saturday, and finishing in Dufur Sunday. As our way of saying thank you to all of our volunteers for making this event happen we will be having a Thank You party Saturday night from 6-10pm at the American Legion Hall in Goldendale (same place as pancake breakfast that morning). Each driver and co-driver will receive one ticket each at registration for the party, each additional ticket is \$20 cash to be purchased at the party. Come celebrate our wonderful volunteers!

Route wise you will see the return of a favorite stage as well as a new one Sunday. The Primitive Racing Power Stage will be Starveout this year.

We are also excited to continue our partnership with Vancouver based Brothers Cascadia Brewing which will host our recce registration and will be brewing a special Oregon Trail Rally beer once again.

Since we are guests in the community we race in, please observe the speed limits, be courteous, and be as quiet as possible when on recce and transits. Recce roads are open two-way public roads so please be especially observant at blind corners, exposures and school zones & buses.

Oregon Rally Group, the team that puts on OTR, is a non-profit that is organized by over two dozen volunteer committee members and over 350 volunteers the week of the rally! A big THANK you to all those that make this event possible. Please make a volunteer's day by thanking them for their help.

7.2 VP West will deliver all orders to Portland International Raceway on Friday May 19, 2023.

8. Reconnaissance

8.1 Competitor check-in/recce registration will on Wednesday May 17th from 14:00-19:30 at Brothers Cascadia Brewing at 9811 NE 15th Avenue, Vancouver, WA. Only one competitor, driver or co-driver, for each team must attend Recce Check-in/Registration. Once check-in/recce is completed by the driver and/or co-driver there is no need to register again.

A recce window sticker with their number will be provided and required for all recce vehicles during recce. Event stickers that are required to be placed on each rally car when they arrive at scrutineering will be provided at this registration.

8.2 Open Recce will be available on Thursday May 18, 2023 between 0700-1900 for Saturday and Sunday stages. Portland International Raceway isn't available to recce Thursday therefore there will be a parade lap on Friday May 19th so that teams can familiarize themselves with the stage.

All stages are open to the public during recce and there will be two-way public traffic all day so please be very cautious and please assume on every turn there will be a car coming the other direction. Competitors must only travel the stage direction. Any verifiable reckless behavior will be presented to the Stewards and can be grounds for exclusion. All traffic laws for the states of Oregon and Washington must be observed.

All speed limits and **quiet zones listed in the Route Book MUST be observed**. All participants must stop at any Observation Controls (O Control) they encounter. Volunteers working to set up rally stages for the weekend, and observers on behalf of the organizers in the area, are to be judges of fact as well. Recce participants will be subject to ARA rules during recce and penalties will be assessed as described in the ARA RCR. Additional rules and penalties will be listed in the recce instructions which are an extension of these supplemental regulations. It is very important that teams don't speed during any part of recce. Do not start recce on a stage road with insufficient time to complete recce on it before recce closes at 19:00 - RCR 1.2.1.a rules apply.

The speed limit on stages during recce will be 30 MPH unless the posted speed limit is lower and penalties will be enforced according to ARA RCR 1.2.1.g.

8.2.1 All competitors must use a normal street legal vehicle (no rally cars) which has no team lettering or advertising and a quiet exhaust for recce.

8.3 Per ARA Bulletin 2023-5 recce participants must use the RS Lite app during recce as described per that bulletin.

8.4 A “recce instructions” document will be distributed to entrants by May 12, 2023. Preliminary versions of this document will be available to paid entrants on request via email to olympus@snowmoose.com to teams entered in the rally. Be sure to note your car number in the request.

Paid entrants may request a Google Earth KMZ file containing the route of the stage roads. This file is not to be used for any purpose other than preparation for recce and recce itself. The rally route book instructions take precedence over the KMZ file in the rally. Each copy of the file distributed will have the team’s car number encoded in it and teams may be penalized if their copy is discovered to have been used for other purposes. To request a Google Earth KMZ file of the 2023 Oregon Trail Rally stage roads, send an email to olympus@snowmoose.com. Be sure to note your car number in the request.

8.5 Jemba notes will only be provided if they have been ordered ahead of time. Absolutely no pre-running of the stages is permitted except during reconnaissance or with approval from the chair of the event. Per RCR 6.10.1 practicing in the area of any event shall be banned for a period of 90 days prior and after each rally and the penalty is exclusion from all rallies in that area.
